937-459-5002

Bait Shop Fishing Passes  
Carryout Pizza Tavern

### NO FEEDING OF WATERFOWL

NO SWIMMING IN or ICE SKATING

ON ANY OF THE LAKES

*My hopes are that you all had a nice start to February with a Valentine's Day spent with loved ones. I was excited to see our Cincinnati Bengals in the Super Bowl; the holiday took a bit of a back seat this year. Can't wait to see what our team brings to next season.*

**Brice with Access Engineering** and the Wayne Lakes Sewer committee continue to work on the upcoming project. Property visits will begin in mid-March time frame to discuss tank placement on each individual site. Please watch for door hangers and Access Engineering employees walking through the park. Open houses plan to be scheduled in April for residents to attend. Brice will be at our next council meeting for Q&A.

**Land for fishing** on Iroquois lake was purchased last week. The closing took place at our local Hanes Law group. The village paid \$8782.40 for the land across the street from the shelter house on North Drive.

**Darke County Level 2 snow emergency** that occurred the first week of the month made us aware of needed updates and improvements for our village equipment. We are currently obtaining quotes for a salt spreader. A new style spreader will allow our truck to get better coverage on our single lane roads and hills. More info to come.

**Darke County** will be coming to Wayne Lakes in March to trim our village trees and bushes on village property near the roads. Please use caution while driving during this time.

**Daily Fishing Passes** can be easily purchased at the village office, or on our Village of Wayne Lakes.com website and our The Village of Wayne Lakes Facebook page. Please share with your friends!! The village has collected \$14.00 for the year 2022.

**Please STOP** dumping branches, yard waste and trash at the Chippewa property. The **total spent for Darke County and Best Way to haul debris away was \$4854**. This project is completed. Plans to make a parking area for boat access are underway. Chipping to be done twice a year to eliminate this problem. Please contact the village office for a designated time for chipping, if needed.

Next council meeting Monday, March 14, 2022, 7:00pm in the council meeting room.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov/coronavirus>.

Respectfully Submitted,

Linda Clark Mayor, [mayorwaynelakes@gmail.com](mailto:mayorwaynelakes@gmail.com)
