## From the desk of Wayne Lakes Acting Mayor, President of Council

At this time there are two council seats available. The council seats will be for a 4 year term for each seat. Anyone willing to serve on the village council should contact the office at **937-459-4111** or email [mayorwaynelakes@gmail.com](mailto:mayorwaynelakes@gmail.com) at least a few days prior to the February 10 council meeting.

Council has approved increased patrols by the Darke County Sheriff department. Vandalism continues to be observed in our village. Please report anything that seems out of the ordinary to the Sheriff's office at **937-548-2020**. Council will review sheriff patrol needs again at the February 10 council meeting.

Please contact the village office with suggestions of locations for new streetlights in our village.

Brice with Access Engineering provided an update for sewer project progress at the January council meeting. He will continue meeting with representatives of New Madison, Darke County, USDA and others to solidify sewer project plans. The construction start date, for example, may be moved up to as early as 2022. For village awareness, survey crews will be out and about our properties in the coming weeks.

The sewer project council committee is currently working on updating a mailing list for our local homeowners. Please call **937-459-4111** or stop by the village office during current office hours Wednesdays 4:00 to 6:00pm and Saturdays 8:00 to 10:00am to update your contact information.

Tax season is soon approaching! Remember to file your 2019 return with RITA at [ritaohio.com](http://ritaohio.com).

## Volunteers are needed for 2020 projects:

The village needs your help with goose population control activities likely starting in March. To volunteer, call the Village office **937-459-4111**. The Hooked on Fishing-Not on Drugs program in June and July needs your help. To volunteer contact John Winger **937-678-7864** or the Village office.

Next council meeting Monday, February 10, 7:00pm in the council meeting room.

Respectfully Submitted,

Linda Clark

Acting Mayor, President of Council
