EMERGENCY 9 1 1

NO FEEDING OF WATERFOWL

**NO SWIMMING IN
ANY OF THE LAKES**

From the Desk of the Acting Mayor

Giving Thanks.... an advertisement in my companies approved publications: "In this season of gratitude, I want to thank you for choosing to sit at my table. Your support has been instrumental in helping me manage our village duties over this last year, and it does not go unnoticed. I value you and hope you have a wonderful Thanksgiving."

Thank you..... To Jessie Valdez for volunteering to saw up the tree that blew down during our most recent windstorm. Additional thanks to the New Madison Fire Department for responding quickly to the call to move that same tree from our roadway.

Leaf dumpster leaving soon. Fresh Aire Farms will be picking up their dumpster in the coming days. Leaves only. **Take advantage of it while it is still here.** No bags!!

Income surveys needed for the Community Development Block Grant. Volunteers from the village will be making door to door visits to complete this process. Potential funds can be used for upcoming projects in our village to span the next 5 years. Our deadline is approaching soon. Call ins to the office are welcome.

Darke County will be trimming trees. Be aware that there will be people on the roadways trimming and removing dead trees. Please have an extra set of eyes on the road and please **slow down** while driving through our park during this time. We want the workers to have safe conditions to complete the tasks at hand.

Brice with Access Engineering and the **Wayne Lakes Sewer committee** continue work on the upcoming project. Wayne Lakes did not make the list this year for the EPA funded grant. Their decision is not a surprise. Most sewer projects do not make the list the first year once submitted. One step that moves the village in the right direction is the billing that will start next year. The project will be at the top of the list for next year consideration.

Next council meeting Monday, December 14, 7:00pm in the council meeting room. Due to COVID-19 19 restrictions, we will plan to have an open meeting at the Village office. We are limited to seating capacity. The number of attendees will be monitored for this meeting to comply with restrictions. Please notify me prior to the next meeting with any special requests to speak.

In closing, for Covid-19 updates and prevention tips please refer to the website <https://www.cdc.gov>coronavirus>.

Respectfully Submitted,
Linda Clark
Acting Mayor, President of Council

Friends of Wayne Lakes

“There was a need for a group of community volunteers to come together and help raise funds and put them to good use in the community,” President of the Friends of Wayne Lakes Adam Wicker said. “We have organized a great group of founding board members, and we are accepting memberships from anyone ready to help.”
