

IWCA Executive Committee Meeting

Wednesday, March 03, 2023

Meeting called to order at 12:30 pm

Officers Present:

President- Brian Burkholder

Vice President- Chris Henze

Secretary- Tyler Kelley

Treasurer- Megan Huck

Conference

Conference will be held March 13-15th 2024 at Prairie Meadows. A 3-year booking is available for venue. Megan is going to look into associated costs and report back to committee. Registration will be simplified for 2024, a form is currently being worked on by Brian. Raffle prizes for 2024 will be cash envelopes, there was some complaints about gift cards. There will be no registration gift in 2024, this is an easy way for the committee to try and keep down registration costs. There were several complaints about not having name tags at conference, committee will research name tag holders, etc. for future use. Candy for tables will also not be purchased due to PM staff cleaning tables daily.

Committee will meet in November to do conference planning and put together agenda. Dates should allow more IDNR staff to present and a wider variety of interested attendees. Reminder cards will be sent out this year. Hope to have registration open by September.

A quality pointer will be purchased prior to next meeting for use at IWCA conference. Also committee will look into venmo account for IWCA account.

3 OT credits were requested by several WC at this conference. Evan was going to be contacted and asked what additional training would be required.

Bylaw Changes

Work has been done already with Jim Uthe to make requested changes to Bylaws. A meeting will be held to discuss bylaws prior to business meeting.

IWCA Apparel

Safety yellow shirts were requested by 1 association member.

Sprayer Clinic 2024

There was interest in a central Iowa sprayer clinic for the summer of 2024. Committee members were going to talk to LRFT about funding assistance.

Meeting Adjourned at 1:03 pm
