

Dear Sponsor,

We request your support for our upcoming documentary, " Peoria Manual High School Basketball Program Documentary Orange and Black: Beneath The Numbers," which will showcase the inspiring stories of the student-athletes in the Peoria Manual High School Boys Basketball Program History.

This documentary will highlight the dedication and hard work that these young athletes put into their sport, as well as the challenges they faced both on and off the court. Through interviews with players, coaches, and community members, we aim to provide a unique perspective on the impact that this program has on its participants and the broader Peoria community.

To make this project a success, we are seeking monetary support from sponsors like you. Your contribution will help cover expenses such as equipment rental, travel costs, and post-production editing. In return, we will prominently feature your company's logo and name in all promotional materials related to the documentary, including social media posts, press releases, and event flyers.

We believe that this documentary has the potential to inspire and motivate not only the student-athletes in Peoria, but also young people across the country who may be facing similar challenges. With your help, we can bring this powerful message to a wider audience and make a positive impact in our community.

Thank you for your consideration, and we look forward to hearing from you soon.
