

January 2020 Minutes

Sisters of Perpetual Indulgence - Emerald City Sisters

Attendance - Sr. Ursula, Sr. Stella, Guard Neil, Br. Lavish, Sr. Gardenia, Blythe, Orin

Treasurer's Report: Bank account is good. \$463 in the account, \$12 in cash. Treasurer holds the only card.

We will be working on the 501c(3)k and By-Laws, and we need a Facebook Live event. We need a meeting to meet new postulants w/co-mothers. Write a formal application to the co-mothers for them to present UNPC. Vote is done over the call, where we have a Q&A, it is voted upon. We will still be novices until we complete novice projects.

To move from postulant to novice, you have to write a document per the P&P. Novices must complete a project. Senior novices currently vote on elevations. Novice projects can be very broadly interpreted. They must coordinate a plan with the entire house. They can be relatively simple, setting up an event, designing a coronet, etc.

New business: Sr. Gardenia has two parts of his postulant project completed (letter of intent and observations).

Orin has expressed an interest in becoming a postulant - Sr. Peaches a la Mode. Motion to elevate by Sr. Ursula. Seconded by Guard Neil. Motion passes.
