

Novice Project House Coronet February 2019

Nv Sister AnitaVi Brador took the concepts and ideas of Nv Sister Hellina and Nv Sister Ursula and constructed the house coronet, the "Bertrille". Wichita being known as the "Air Capital" because of the many airplane manufacturing companies the house coronet had to have "wings". And Thus the Bertille was born. It was an immediate success with the members of the Emerald City Sisters and it remains out house coronet.
