WELCOME ABOARD

Hello There!

We are so excited to share with you The Revolving Door's first newsletter. You've been added to our mailing list and will be receiving future editions.

Our new commitment for 2022 is to keep our supporters, followers, and donors informed about what we're up to, the impact we're making in our communities, and ultimately to stay connected with you.

OUR GROWING ORGANIZATION

ACCELERATION

The Revolving Door has faithfully served the Bronx community for twenty years. Over the last 3 years, we have expanded our reach to the city of Poughkeepsie. We are now partnering with other organizations and applying for federal funding to expand our reach to the five boroughs in New York City and all of Dutchess County.

LOOKING BACK

BOUND INSTITUTE

Boundless is our business cohort where business leaders focus on their infrastructure, develop a vision, and plan ahead for retirement as they prepare to become mentors for our 2BShadowed Program.

The goal is to connect business mentors with pre-screened mentees for one-on-one internship opportunities to expand their career options.

In 2021, we had 20 graduates in our Boundless program that ranged from barbershop owners to medical doctors who are ready to provide an internship experience for our 2BShadowed students in 2022.
