

# THE REVOLVE

**EQUIP | DEVELOP | TRANSFORM**

## *Note from our Founder:*

*"Change is Exciting... As I look back over two decades, I see people, communities, hearts of the families, smiles of children and profound vision of tomorrow's innovators. I am proud of the community within a community that represents the Heart of The Revolving Door Family. We build, that is what we do but what we build may surprise you. We build the people so the people can build and enrich the communities!"*
