

THE REVOLVE

**EQUIP
DEVELOP
TRANSFORM**

Note from our Faculty:

"...No dollar amount can compare to the gratification I receive when giving of myself for the betterment of others. This organization has provided me the opportunity to not only develop myself as individual but become a vessel in my community. The plethora of resources we offer has proven to provide folks from underinvested communities financial freedom and self sustainability for not just their families but generations that follow.

And that my friends ...is priceless. "

Your's Faithfully,
Onesha Cora
