

THE REVOLVE

**EQUIP

Note from our Faculty:

"An opportunity to help others grow is an opportunity for yourself to grow." That is what came to mind when presented with the Director role for the 2beShadowed program. It is humbling being able to go through this program with young adults from all different walks of life because I am still learning as well. Our communities are underrepresented, but this program brings strength and hope to the community. I started with talking about "an opportunity"; the real praise is to these young adults who chose to seize an opportunity to grow. Through this program, I am sure they will give back to the community."

Sincerely,

2BSHADOWED

MENTORSHIP PROGRAM

In April, we started our to pilot mentorship program, 2BeShadowed. This 90-day program aims to provide an underserved community ages 15-22 with an opportunity to observe professionals performing their daily work routine in their respective environments. The 2BeShadowed program provides guidance, motivation, emotional support, and role modeling for all Mentees.

"2BeShadowed pushes you to think of new ideas and ways of thinking. Immense inner growth and self reflection all while spending time with role models "

-Mikey Dicorcia, Mentee

"As a Leader, it is a honor to be influential in another person's life to build them up, encourage & edify them so they can duplicate this attitude in others. "

-Kristina Hosch, Mentor
