

POOL RULES

The Board of Directors of the Hickory Creek Homeowners Association place the utmost importance on the fact that all homeowners and their families should be able to use the pool in a safe and enjoyable manner. Although not widespread, there have been recent instances where the rules have been violated. When these violations were reviewed the Board felt there were some questions regarding the existing rules and their enforcement. To clear up any questions and gray areas the following rules and enforcement actions were adopted and approved by the Hickory Creek Homeowners Association board of directors on June 18, 2001

POOL RULES ENFORCEMENT

Each homeowner is expected to make sure that the members of their family and their guests are following the pool rules. The elected board members and committee members of the Hickory Creek Homeowners Association are responsible for the enforcement of the rules and following up on violations.

If you believe a violation of pool rules has occurred and you wish to report that violation, please take the following steps:

1. Document the violation as you observed it including the names(s) of the persons(s) committing the violation, the date and the time. Briefly describe the rules violation as you observed it. Sign and date this written documentation and have it signed by another homeowner in the association.
2. Mail the documentation to the association or give it to any current board member.

Documented violations are received by the Board of Directors at the next regularly scheduled meeting. Homeowners that have been cited for pool or clubhouse rules violations will be invited to attend the meeting when the violations(s) will be reviewed.

Violations that are upheld by the Board of Directors will be confirmed in writing to the homeowner involved as well as the homeowner reporting the violation.

If the homeowner or their guests are determined to be in violation of one or more violations of the pool rules a total of three times, their pool privileges will be suspended for a period of one year from the date of the last occurrence.

Any homeowner who continues to use the pool or clubhouse after their pool or clubhouse privileges have been suspended by the Board of Directors will be subject to a \$500.00 fine assessed to the homeowner by the Hickory Creek Homeowners Association as well as any and all necessary costs to enforce the suspension and fine.
