

Incompatibility: Avoid contact with strong oxidizing agents such as chlorine, permanganate, etc.

Hazardous Decomposition: See Section IV

Hazardous Polymerization: Will not Occur

Stability: Stable

Section VII Spill or Leak Procedures

Steps to be taken in case material is Released or Spilled: Eliminate all ignition sources, absorb on suitable absorbent and shovel into hazardous waste containers.

Waste disposal method: Contaminated absorbent may be disposed of according to local, state and federal regulations for the products containing petroleum distillates.

Section VIII Protective Equipment to be Used

Respiratory Protection: An appropriate NIOSH approved hydrocarbon canister or respirator for organic vapor should be worn if adequate ventilation is not available. Use of this product with a high speed or orbital buffer may generate dust. Use approved respirator for dust concentrations above the TLV listed in Section II in the absence of proper ventilation.

Ventilation: Good local exhaust.

Protective gloves: Protective gloves such as nitrile rubber or PVC.

Eye Protection: Safety goggles are advised, especially if product is being used with a high speed or orbital buffer.

Other protective equipment: To prevent repeated and prolonged skin contact, wear impervious clothing and boots.

Section IX Special Precautions and Other Comments

Other Controls: None Known

Work Practices: Eye wash and safety shower should be easily accessible. Discard properly such items as rags and trash soaked with the product. Provide adequate ventilation.

Hygienic Practices: Avoid contact with eyes, skin, and clothing. Avoid inhalation of product vapors. Wash thoroughly after handling and before eating, drinking or smoking. Remove contaminated clothes promptly and wash thoroughly before reuse.

Precautions to be taken in Storing and Handling: KEEP AWAY FROM HEAT, SPARKS, AND OPEN FLAME. KEEP OUT OF THE REACH OF CHILDREN. Do not store under freezing conditions or above 120 F. Protect containers from physical damage and keep tightly closed. Do not store near acids or acidic materials and oxidizers. Containers, even those that have been emptied, will retain product residue and vapors. Never apply heat or torch to full or empty containers.

Disclaimer Of Liability

The information contained herein is based on data considered to be accurate. However, the information is provided without any warranty, expressed or implied, regarding its correctness. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with handling, storage, use or disposal of this product.
