TO OUR VALUED PATIENTS:

Absolutely NO SMOKING OR VAPING is allowed on our property. Thank you for your cooperation.

Welcome to Shortgrass Community Health Center, Inc. (SCHC)

We want to make your experience with us as comfortable and convenient as possible.

SCHC is a private, non-profit community health center providing comprehensive, primary, and preventative medical services to families and individuals, regardless of the ability to pay. We are striving to be a Patient Centered Medical Home (PCMH), which is an innovative program for improving primary care for our patient population. The program gives practice information about organizing care around patient needs, working in teams, and coordinating and tracking care over time.

Services provided at SCHC are medical, behavioral health, dental, vision, substance use disorder and addiction therapy, as well as 340b pharmacy. SCHC strives to be a one-stop shop for all family health needs.

SCHC strives to provide affordable quality health care to the residents of our service area. Our doctors and staff are committed to keeping you and your family healthy, at rates that you can afford. If you have medical coverage, our staff will continue to file claims to your insurance company, Medicaid, SoonerCare, or Medicare on your behalf. If you think you might be eligible for Medicaid/SoonerCare our staff will be available to help you with the process. In order to continue with our current level of services, it will be necessary to collect the necessary fee from all of our patients when services are received. This includes the co-pay from Medicare and private insurance, as well as the minimum fee for the sliding scale discount fee program.

For patients who do not have any type of medical coverage, our fees will continue to be discounted, based on family income and size. For those who qualify, a minimum fee will be charged for each service performed. (Ex: Office visit, lab, x-ray etc.) To qualify for the sliding fee discount schedule, patients are required to complete a sliding fee application annually and update information immediately if there are any changes to income or household size. Co-payments are based upon household income and family size. Proof of income will be required to evaluate the application. The application and all documentation must be submitted at first visit or you may be subject to full charges.

SCHC understands that some patients may find it difficult to pay for services when they are received. For patients experiencing sudden financial difficulties and are unable to make payment, please contact our finance department to make financial arrangements. SCHC strives to be understanding and work with patients who are faced with sudden financial hardships. SCHC is not a 'free clinic' and is fiscally responsible to maintain sound business practices and be fiscally responsible. We do believe in no patient being surprised by a bill for care and can identify what your responsibility will be for services provided at Shortgrass prior to your appointment. If you require a 'good faith estimate' prior to services, please ask the receptionist for a form to be completed with cost estimates.

Thank you for choosing us as your health care home!

CANCELLATION POLICY

Shortgrass Community Health Center, Inc. is glad you have chosen us to provide you and your family with excellent care. It is our policy to request that you make all changes or cancellations of your appointments 24 hours in advance. We understand that situations arise that may prevent you from giving us advanced notice. BILLING, PAYMENT, and REFERRAL INFORMATION

SCHC's ability to remain open and provide discounted services greatly depends on our ability to collect what fees we are required to charge, even when those fees are discounted.

IN ORDER TO HAVE YOUR CHARGES DISCOUNTED IF YOU QUALIFY, YOU MUST BRING PROOF OF INCOME AT THE TIME OF VISIT AND COMPLETE THE SLIDING FEE DISCOUNT APPLICATION. IF THIS INFORMATION IS NOT PROVIDED AT TIME OF APPOINTMENT, YOU WILL BE CHARGED THE FULL PRICE FOR THE APPOINTMENT.

BILLING AND PAYMENT

SCHC provides services billed according to patient's ability to pay. All co-payments are collected at time of check in for the appointment. After sliding fee discounts are applied to charges, the patient is responsible for paying the remaining fees, if applicable. SCHC is **not a free clinic**. We will be happy to assist any patient with a payment plan if necessary.

REFERRAL SITUATIONS

SCHC is a **primary care** clinic. When a provider determines it is necessary to refer a patient to a specialist, the patient is responsible for that bill, and/or making payment arrangements with that provider. SCHC is not responsible for, nor has any control over, charges and fees occurring from referrals to other clinics.

LAB and X-RAY

Please understand that although the services that we contract for through local hospitals are discounted, SCHC has no control over the bill a patient receives for reading those results or any additional costs the hospital may charge. A hospital is required by law to have every x-ray evaluated by a radiologist, and that radiologist's bill is separate from our services. It is the patient's responsibility to pay for these additional services as required by the hospital.

SCHC contracts with Lab Corp for discounts for certain lab tests. Lab fees will not have extra reading charges. The amount the patient pays includes the entire fee for those services and is due prior to receiving the lab service.

REGISTRATION

In order to make your visit with us as smooth and quick as possible, it is necessary for you to call for an appointment. If your appointment is for a routine or follow-up visit, you will speak with staff member to schedule an appointment.

If you are calling for an urgent situation, every effort will be made to make a same day appointment with your provider or the walk-in provider.

If you get sick when SCHC is closed, please call the SCHC after – hours phone (580) 688-2800 and follow instructions provided on what actions to take:

- **If it is an emergency, please call 9-1-1**

If you are more than 15 minutes late for an appointment, you may need to re-schedule. This is in order to keep our providers on schedule and avoid delays for other patients. We ask all new patients to arrive at least 30 minutes prior to the appointment to complete all necessary paperwork.

You must make sure you bring your identification card to each visit if you are covered by Medicaid, SoonerCare, Medicare, or private insurance. Please let us know if your insurance carrier or insurance eligibility changes, or if you have a change in address, phone number(s), or other pertinent information that affects your account. Bring your children's immunization records to each of their appointments.

If you are taking medicine prescribed by another doctor, bring all medicine bottles with you to your appointment.

DISCOUNT DRUG PRICING AND MEDICATION REFILLS

DISCOUNT DRUG PROGRAM

If a patient qualifies for a free medication program, SCHC does attempt to assist patients with paperwork required so that they may receive their medication(s). It is **not** SCHC's sole responsibility to complete all necessary paperwork. The patient is expected to participate in completing certain paperwork for this service.

Due to SCHC's federally qualified status, we are able to purchase drugs at a significant discount over regular pharmacy pricing. This is based on a percentage (%) scale, therefore, when a drug costs less, there is a smaller discount. When a drug falls into the higher price range, the discount becomes much more significant. Please feel free to take our written prescription and compare prices before purchasing.

Although in most instances the 340B Discount Drug Program pricing is less, there could be instances where pricing is very close to the same at all pharmacies. Currently, the SCHC pharmacy participates in the 340B Discount Drug Program. Please ask staff for participating pharmacies.

REFILLS

You may call your pharmacy during their regular business hours to request a refill. Please have the pharmacy FAX therefill request to SCHC at (580) 688-2193. Please allow at least 5 business days for medication refills. If you wait until you are out of your medication, there may be a delay in refilling your prescription. Be sure to allow extra time for weekends and holidays. If you should run out of your medication on a weekend or holiday, there will be a delay in refilling your prescription until the center re-opens. Please have your pharmacy fax your refill request physician you use, and call your pharmacy prior to picking up your medication.

MEDICATION POLICY

The following policies are to ensure your safety, and our continued ability to treat you in the most effective way possible. Please read this carefully.

1. Medication must be taken only as prescribed by our physicians and you must notify our providers when medication is given to you by another person or physician.
2. Any medication that is lost, misplaced, stolen, destroyed, or finished early may be replaced at the discretion of the provider.
3. You must not share, sell, or otherwise permit others to have access to these medications.
4. All prescriptions should be obtained at the same pharmacy, where possible. Should the need arise to change pharmacies, our office must be informed.

6. Refills will be given only during regular office hours.
7. Refills of medication will be given at the discretion of the provider. The provider may ask you to come back into the clinic for a follow-up appointment before refills are given.
8. **CLASS II** medications need to be filled by the pharmacy within 5 days of being written. If your prescription expires you must return the prescription to our office before another prescription will be issued to you.

10. You must provide us with 24 hours' notice to cancel an appointment. If you fail to provide this notice, you may be subject to the consequences listed in #9 above.
11. Random urine drug screens and/or pill counts may be requested. Presence of unauthorized substances, abnormal results or an inaccurate pill count may result in discontinuation of your controlled medications including, but not limited to, opioid analgesics.

Any such written consent may be revoked by you in writing.

Your Rights:

Under HIPAA you have the right to request restrictions on certain uses and disclosures of your health information. SCHC is not required to agree to any restrictions you request, but if it does agree it is bound by that agreement and may not use or disclose any information which you have restricted except as necessary in a medical emergency.

You also have the right to receive a paper copy of this notice.

SCHC Duties

SCHC is required by law to maintain the privacy of your health information and to provide you with notice of its legal duties and privacy practices with respect to your health information. SCHC is required by law to abide by the terms of this notice. Former clients making appropriate requests will be provided a copy of the updated notice at the time of request.

Complaints and Reporting Violations

You may complain to SCHC and the Secretary of the United States Department of Health and Human Services if you believe that your privacy rights have been violated under HIPAA. Such complaints should be pursued through the established SCHC grievance procedures. You will not be retaliated against for filing such a complaint.

Violation of the Confidentiality Law by a program is a crime. Suspected violations of the Confidentiality Law may be reported to the United States District Attorney in the district where the violation occurs.

PATIENT CENTERED MEDICAL HOME (PCMH) AGREEMENT

Shortgrass Community Health Center, Inc. (SCHC) wants to be YOUR Medical Home. Our goal at SCHC is to provide patient centered care to all its patients. Patient centered care means your medical provider, Health Care Team, patient and families work together to provide quality care to YOU. We do this through patient and family communication where the needs and preferences of the patient are communicated to your SCHC Health Team. Your SCHC Health Care Team may include your medical provider – a doctor, nurse practitioner, or physician’s assistant and your nurse, dietician, lab, x-ray, dentist, optometrist, pharmacist and behavioral health specialist. In turn we will listen to these needs and focus their education and training to make sure YOU get good quality health care.

Our plan:

SCHC and the patient/parent will achieve this patient centered care based on these items that we agree upon.

- SCHC will provide quality health care to the best of our ability and knowledge in a safe environment.
- Patients and their families have the ability to ask questions and voice concerns through an open channel of communication with our Health Team.
- The patient/parent is honest in the history of symptoms. Your Health Team is open and honest in relating the diagnosis and related treatment. It is important for the patient/parent to disclose all symptoms or medical problems at the time of treatment.
- The patient/parent is agreeable with your treatment plans. SCHC will provide clean and understandable instructions.
- SCHC will provide patient with enough time during their office visit to make sure the medical problem is understood and the treatment plan is thoroughly explained. Both the patient/parent and your Health Team will respect one another’s time.
- The patient/parent will pay for their share of the services rendered not covered by their insurance at the time of the office visit. It is the patient/parent responsibility to know their insurance benefits.
- SCHC offers same day appointments for acute care and allots reasonable times for follow-up, preventative care and disease management appointments.
- SCHC may refer patient to a specialist or suggest certain tests/procedures that are not done in the office but instructions will be given for any referral. It is the patient/parent responsibility to find out if the specialist is covered by their insurance.
- SCHC is not responsible for costs for patient specialty care or tests/procedures recommended by our providers.
- SCHC will make the referral; however, it is the responsibility of the patient/parent to follow-up with the referral and understand the insurance coverage for the specific referral.
- SCHC will give results of lab/x-ray tests by calling and/or mailing the patient/parent. The patient/parent should call the office if not notified about test results in an appropriate time frame.
- The patient/parent shall do their best to participate in health habits and lifestyles.
- SCHC may provide educational health information. The patient/parent can use this information and ask questions if needed.
- The patient/parent should keep their appointments; a missed appointment takes up time that another patient could use.
- The patient/parent should arrive on time for their scheduled appointment. SCHC in turn will work to stay on schedule.
- SCHC will respect the patient/parent individually. We will not make judgments based on race, religion, gender, gender identity, age or disability.
- SCHC will respect patient/parent privacy. Medical information will not be shared with anyone unless it is vital for treatment, payment or health care operations, you give us permission, or it is required by law or court order.
- SCHC has computer prescription programs with most pharmacies. Prescriptions are sent to your specified pharmacy electronically, otherwise, a printed prescription will be provided.
- This agreement that describes your SCHC Health Care Team relationship with YOU has been given to and received by a patient/parent for his or her Health Team member today.

Application for Sliding Fee

Shortgrass Community Health Center offers patients a discount on their medical bills if they qualify for our sliding fee scale. The discount is based on the **GROSS** income of **ALL** members of the household and the number of members in the family. If you want to apply for this discount we need income verification. **Proof of income is required.**

(Examples: most recent pay stub, prior year's W-2 forms, tax returns, bank statement showing deposits, letter of income from employer, attestation letter from someone not a household member, self-attestation letter.)

Please list ALL family members: (*Frequency = Weekly, Biweekly, Bimonthly, Monthly, or Annual*)

Name	Date of Birth	Income	Frequency

**** Patients applying for the sliding fee program are obligated to contact SCHC if their income or household status changes, or if they become eligible for insurance. Patients must update information on an annual basis to remain on the sliding fee program.**
