2019 Brags 'n Bitches Dinner

by Sarah Helber
(Photos by Sarah Helber)

Cynthia Parker and Jeff Curran once again hosted the annual Brags 'n Bitches dinner on Saturday, February 2, 2019. The company was good, as was the food. This may have been Jeff's best jalapeño lasagna ever! Clipper worked the room continuously, trying to convince everyone that at age 14+ she should be able to eat whatever she wanted

The rules for the evening were reviewed - Tervuren brags were \$5 apiece and non-Tervuren brags and all bitches were \$10. As usual, several people were more generous with their money than their words. All money collected went to Belgian Tervuren Rescue, Inc.

I was so busy writing that I didn't brag on the fine job Susan Hervey has done in previous years (or bitch that she was not able to attend at the last minute). I knew it was a tough job, but I now appreciate it even more! Any errors in reporting are mine.

Shirley Stowe

Shirley emailed her report since she was not able to attend:

- 1.) My CH black and tan ETS girl, Ch Sirius EliFran Blackdessert Willow, earned a Novice **AKC** Container Element Scent work title in Nov 2018...making her the second ETS to earn **any AKC scent work title** to date
- 2.) She also earned a Novice **UKC** Interior Element Scent work title recently making her the first ETS to earn a **UKC** scent work title
- 3.) I have a new show dog, a *red with mahogany mask* (hmmmmm) male Pekingese, Royal's Cayenne Crimson (aka "Clifford") ...he will make his show debut in late spring at the shows in CA...he is really a cutie pie...

2019 Brags 'n Bitches Dinner, Continued

Tiffany Holley

Bragged on the money collected for the supported show.

Toby Holley (who joined the group on FaceTime)

Bragged on his taking up herding. He said he didn't have enough money to bitch.

Cynthia Parker

Bragged that she was getting a new car on Monday - a Mercedes 400 E-class convertible!

Bragged on her mother, who died last year. She was an amazing person - a music teacher who had been an opera singer. Her music students consistently earned scholarships. Cynthia got her love for having parties from her mother (but not her voice).

Bragged on Clipper who, at 14 years and 3 months old, is amazing.

Bragged on her last litter of 3 puppies. Lucy and Kepler went to the best homes. Lucy went to live with the Keough's and Kepler went up north to live. With all the bad weather in the north this year Kepler's owner just opens the door and throws a ball out for Kepler to retrieve. His owner doesn't even have to go outside to play ball!

Bragged on Charmer's earning a major.

Bragged on Caddie in agility class. They are taking a basic beginners class and Caddie is doing well, although she does occasionally "herd" the obstacles.

Bragged on Jeff and his new obsession with replacing the boards on their fence. He's been working on it every time he gets a chance since May and only has 232 more to go.

Bragged on Jeff who took her to Scotland for their 25th wedding anniversary. It was the most magical trip ever - an Outlander tour.

Bragged on Jeff, who is taking her to Mexico for their anniversary this year. They plan to visit Chichen Itza and Cancun.

Bragged on her travel agent Donna Alkarmi, whom she cannot recommend enough.

2019 Brags 'n Bitches Dinner, Continued

Narda Reed

Bragged on Kobi taking a Group 1 in the Owner-Handled Herding Group at the Belton show. She was so happy she started crying.

Bragged on Kobi who is finally growing hair!

Bragged on how well Kobi is doing in conformation with his "Tail" command.

Bragged on her future daughter-in-law, who came to the USA legally from Venezuela. She came speaking no English and now has a Social Security card, work permit and drivers license. Netflix has been a great help to her learning English.

Devota Swenson

Bragged on Sage, who just went to her new home in north Texas with the Keough's.

Bragged on Cynthia's puppy Lucy who went to the Keough's. Lucy was an angel when she met Sage on Tuesday.

Bragged on Tiffany, who is now an AKC judge (although Devota couldn't remember exactly what she could judge). *[Sarah looked it up on AKC's website and Tiffany is approved to judge Junior Showmanship - All Breeds and also Farm Dog Certification. Congratulations!]*

Dennis Lyons

Bragged on Cynthia and Jeff for hosting the Brags 'n Bitches dinner.

Bragged on Susan Hervey for sticking with the newsletter.

Bragged (or was that a bitch) that he has only 2 years left before retirement.

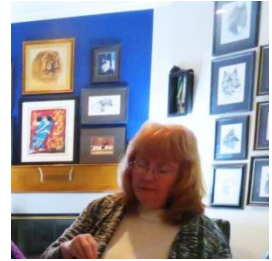

2019 Brags 'n Bitches Dinner, Continued

Deb Lyons

Bragged on Sadi who took a major in December in Dallas on Saturday and a 5 point major on Sunday.

Bragged on Sadi for taking another point today in Texarkana. Now she only needs 3!

Bragged on her old boss who delayed turning in the paperwork for her resignation, hoping the new job wouldn't turn out well. He was right and she's back at her old job.

Glenda Fick

Bragged on Ready who is just now coming out of his teenager look and won 1 point each day in July.

Bragged on Sprint who is 13 3/4 years old and Streak who was 13 in December. Both are still in good shape.

Gerard Bermel

Bragged on Nikki, who is coming along great in agility. Nikki Q'd in Excellent Jumpers today with a first place. In 2018 she earned her Novice Jumpers and Standard and also her Open Jumpers and Standard titles.

Pat Thomas

Bragged on Nikki for being such a Champ in 2018. She was a slow starter in nose work, but then the light came on. She earned her NW2 title with NACSW in December and her AKC and UKC Novice titles.

Bitched about Luca, their border terrier who will be 2 years old in April. He's a terrier - and it came out when he dug a hole in their carpet.

Bragged on Devota for coming up from Austin for the dinner and meeting and for fostering Sage and making her very adoptable.

2019 Brags 'n Bitches Dinner, Continued

Pat's Brags, Continued

Bragged on Tiffany for doing a great job with the Supported Show.

Bragged on the Blue Corn Harvest restaurant in the Austin area. The salmon/crab dish was wonderful!

Sarah Helber

Sarah bragged on Miles's enthusiastic tracking style. HOWEVER, lunging out into a parking lot on his hind legs is not safe and since she's lost weight it's become a bigger issue. They've still got a ways to go before they enter a VST test.

Editor's Note by Susan Hervey. As newsletter editor I have always published the Brags and eliminated most of the Bitches, since who knows what employer or other interested party might find them! I have done that this year, also. In some cases I've allowed a Bitch, such as one that struck me as funny or one notable one regarding the Dallas Cowboys! Part of the joy of attending the dinner in person is hearing the Bitches!
