LONE STAR SPOTLIGHT

by Susan Hervey

CH. WALDENMARK'S CHOCOLATE CHIP HSAs JHD, "Chip"

Theresa and Chip started herding when Chip was 6 years old. They are training with Marie and Alan Koebke of Alamar Farms. Chip is Theresa's first herding dog.

Asked what Theresa likes best about herding, she replies, "Watching our breed do what they are bred to do." Asked what Chip likes best about herding, Theresa reports, "The idea of being in control of the sheep." She says he is good at fetching, and understanding sheep behavior. "He seems to know when they are ready to take off, where the draw is. When Marie's been in the field with me, she says, 'He knows what's going to happen; that's why he's doing what he's doing.'"

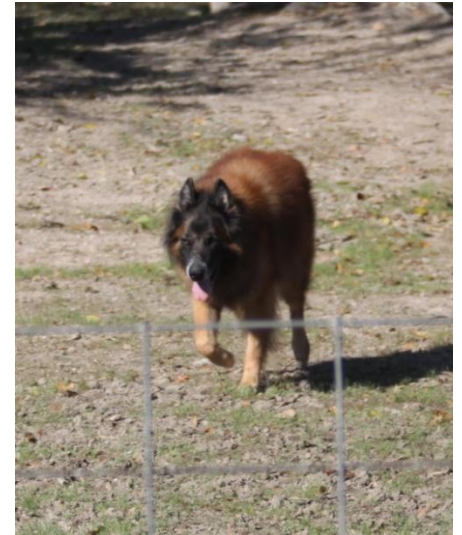

Chip finished his title with a 1st place and score of 87 out of 100 on Nov. 14th.

Marie Koebke handled him at the National Specialty, and Theresa handled in other trials and put on the last leg for his title.

Theresa said she was very pleased with how Chip worked at the National. He and Marie hadn't worked that much together. He corrected himself when the sheep had gone through the runway panel and were ready to go through the center gate. Chip went back around so they couldn't bolt toward the barn, exhibiting a good example of his understanding of sheep behavior.

He also earned his JHD (Junior Herding Dog) in AHBA trials.

When asked about advice for newcomers to herding, Theresa reports, "To someone new, be prepared: it's very expensive. If you've been a person that's competed in other venues, herding is the only one where you cannot practice when you are not lessoning, unless you have sheep of your own." She said a newcomer should plan for several practice sessions a month, if possible, and more would be better with a beginning dog.

Theresa notes that when she was working toward a CDX with a previous dog, she lugged heavy jumps to new places to practice. That's not an option unless you own your own sheep!

What is the next goal in herding? Theresa says Chip is now learning to drive the stock, and is fairly good at it. They are aiming at the Intermediate title.

Congratulations! Theresa and Chip!

In Memory

Ch Sky Acres Flying Colors, CD, RN, MX, MXJ "Cole"
May 2000-January 2011

by Cynthia Parker

Cole came to us when he was one year old, already a breed champion finishing in 4 shows when he was 7 months old. I went to pick him up at the airport and saved him from the scary plane. I became his person, who he shadowed all his life, and Jeff became The Man.

He was always a sweet gentle dog who loved me and was eager to please no matter what we did. He easily finished his CD but made it clear that obedience was not for him. At 8 he earned his RN, but it was way too much like obedience.

He did love agility and he was my first MX MXJ dog who, when retired, had over 330 MACH points and all his Double Qs. And even at last year's national, at 10 years old, he earned a first place in 20" Novice Standard Preferred after being out of the agility ring for 2 years. At the end of his agility career Jeff would run him and he would stop at the top of the A-Frame and look around as if to say "Mom, The Man has me and is running me in agility, help!"

He always had to know where I was and if I was home, he wouldn't eat unless he was next to me. He was the bed dog and got to sleep on our bed during the day. We have a sleep number bed and he preferred Jeff's sleep number over mine.

Even though he was a quiet dog, our house is so silent without him. He'll always hold a special place in our hearts.
