at the DOTC Agility Trial,  
McKinney, Texas***

# LONE STAR SPOTLIGHT

## CH Tacara's Brianna Bella Noir CD, MX, MXJ, NF

Bragging rights on my Bella,

Bella just turned nine in February; she is truly my heart. Bella has given me so much in the years. She is a champion, has an obedience title and she is on her fifth double Q for her MACH and has over 800 points.

Bella is my third Terv and I have been blessed with all of them in my life. I am sure most of you have met Bella and can see how much joy she brings to me. She is always ready to go and continues to give me her all plus more in any competition. Thank you all for your continual love and support. You are great friends.

Love Always,  
Bella and Carol Holmes

# Minutes of Lone Star Belgian Tervuren Club Meeting July 9, 2011 (Dallas, TX)

The meeting was called to order at 9:55 a.m.

## **Attendees**

Members in attendance were: Dennis & Deb Lyons, Jeff Curran, Cynthia Parker, Theresa Hunter, Pat Thomas, Sarah Helber, Linda D. Parker, Susan Hervey, Shawn Staley and Glenda Fick. Terri Wilson attended as a guest.

## **Minutes of the Last Meeting**

The minutes of the last meeting were approved as published.

## **Report of the President**

No report.

## **Report of the Secretary**

We received a nice thank you note from Nancy Simmons, who judged our Regional Specialty. Sarah also mentioned that at the National Belgian Tervuren Rescue gave out pins for contributions of a certain size, and several of our members had been omitted from the list. She had written to BTRI with the details. Cynthia noted that they were following up. Finally, Sarah said that no additional nominations had been received for officers, so the slate of nominees from the Nominating Committee would be our next officers. They will take office in October.

## **Report of the Treasurer**

The Treasurer's Report was passed around for review.

## **Report of Committee - DOTC Agility Trial Support**

We will be staffing both rings, as DOTC will have a single judge and will be alternating rings. Cynthia was to follow up to see if crating for workers would be reserved in the wash area.

## **Report of Committee - 2012 Regional Specialty**

Cynthia reported that our judges would be Joni Freshman for conformation, Rudy Ayala for sweepstakes and probably Peggy McConnell for obedience (we will share an obedience judge with the Dalmatian club). A discussion of obedience classes was held, and it was decided to offer all titling obedience classes, including the newer Optional titling classes of Beginner Novice, Grad Novice, and Grad Open. We will not offer Versatility, and we will not offer Team Obedience. We should not have to buy any trophies, as we have some left over. Several people volunteered at the meeting: Assistant Show Chair Deb Lyons, Obedience Chair Pat Thomas, Catalogs/Grounds Chair Jeff Curran, and Chief Ring Steward Shawn Staley. Deb Lyons will also be responsible for the raffle, and for picking up Joni.

Theresa Hunter discussed the trophies she has planned, and there was further discussion of how they were to be made.

## **Election of New Members**

We had received an application from Terri Wilson, but just yesterday she received a job offer from Denver, and they will be moving this month. She withdrew her application and her check was returned to her.

## **Unfinished Business - DOTC Agility Trial, October 2011**

The date for the DOTC fall agility trial will be October 15-16, 2011. This year there will be only one judge, with alternating rings. They would like us to staff both rings, although they may have another club provide some help for the less "technical" jobs.

## **Unfinished Business - Texas Combined Specialty Association**

There was additional discussion of the pros & cons of moving our Regional Specialty to join with the July Market Hall shows. It was decided not to change for next year, and then revisit the issue.

## **Next Meeting**

The next meeting will be held on Saturday, October 15, 2011 during the DOTC agility trial.

## **Adjournment**

The meeting adjourned 10:29 a.m.

## TROPHY DONATIONS FOR 2012 REGIONAL SPECIALTY

Trophy donations for the 2012 spring Regional Specialty are being solicited by Trophy Chair, Theresa Hunter.

Below are listed the trophies we can present for conformation.

Copy the page, fill in your choice, and mail to Theresa Hunter.

(The club has obedience trophies left over from prior years.)

## TITLES CORRECTED ON PICTURE FROM MAY 2011 TEXAS TERV TRAILS

Sarah Helber writes:

"I loved the picture of Jordan at the Regional Specialty. However, he has a few more titles that were omitted from the catalog and thus not shown on his show picture on Page 4. Jordan is CT Ambition's Almond Joy Qui Rit VCD1 RAE MX AXJ NF. We worked rather hard for that CD and RAE that were omitted."

*(Editor's Note: THANKS Sarah! Everyone--please let me know if I leave out titles Each title is an honor to our dogs and our trainers!)*

## CHARISSA/ LILA: A RESCUE STORY

*by Deb Lyons*

Charissa was born somewhere in the Carolinas. At around 3 months old she was sold to a man in Austin TX that she lived with for about 6+ months. He decided that he could not live with her any more so he contacted the breeder. He was asked to pay to ship her back, and instead chose to take her to the Austin SPCA shelter. This is what he told the shelter about her in his words.

I don't know how to care for her condition (high fear)

*Around other dogs, dog is:* playful, plays somewhat roughly

*Around cats, dog is:* unknown

*Prefers to be:* mostly outdoors

*Housetrained:* No

*Activity Level:* High

*Personality:* shy, fearful

*2 things that you LIKE most?* Pretty

*2 things that you DISLIKE most?* Fearful, vindictive

*How long have you had the dog?* 6 mos

*Where did you get this dog?* Breeder

*Does the dog have injuries/health issues?* No

*The dog often:* pees indoors, destroy stuff

indoors/outdoors ....not bothered if food/bowl is touched while eating....Afraid if bone, toy, treat, etc. taken away. Afraid if pushed/pulled off furniture, afraid of baths, nail trims, brushing, being held/restrained, /if stranger approaches house/yard/owner/family member.

Knows Sit. Accustomed to brisk walks on leash, playing in yard. Likes rope toys & chew bones. Likes Fetch, Tug, & wrestling. Crate trained, does well for 8 hrs. Sleeps in crate at night. Tends to follow you around.

When left alone indoors destroys household items, furniture/walls. When left alone outdoors barks, destroys things.

Never tried letting her off leash. Not bothered by t-storms/fireworks.

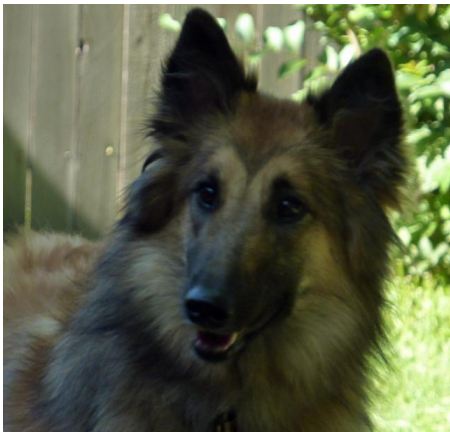

## CHARISSA/ LILA: A RESCUE STORY, Continued

So I had my work cut out for me when I picked her up in Austin on March 21, 2011. I took my Belgian Tervuren boy Cody along to make the ride home easier for her and Cody loves to go.

When her paper work was done and she was ready to go it took three helpers and a long dog pole stringing her up to get her into the building and then into a crate next to Cody in my Blazer. By now she is totally scared out of her wits curled up at the back of the crate quivering in fear. The nice young helper commented on what a good-looking dog Cody was, so he was more than happy to come out and say hi and stretch his legs and show them that Belgian Tervuren can be really nice dogs.

After Cody was back in the Blazer and the young helper went back in the building, I tried to give Charissa some fresh dog treats that Cody loves. She wouldn't take it from my hand so I left it in the crate and closed the door; then she scarfed it down. Within minutes she was eating out of my hand and letting me pet her so we started home. She did very well on the 3 ½ hour ride home.

On March 28, Cindy Simonsen sent me the info on Linda and her husband from Wisconsin, who wanted to adopt Charissa. Her Terv had passed away and she was ready for a new girl in her life. After a long discussion of all Charissa's problems, we explained that she was making good progress, but it takes time to undo the damage that was done to her. But I did think that with the right kind of training there wasn't anything that couldn't be corrected. I was currently unemployed and I was willing to keep her and spend the time she needed to work on correcting her problems. Linda was more than happy to wait awhile before taking possession of her and she wanted to rename her Lila. She also asked if we could see how she behaved around cats because Lila would have to live with a one.

On May 5, Lila, Cody and I went to visit Susan Hervey. She was so very nice to let Lila come meet her kitty Desi. Lila did just fine with kitty Desi and we had a very nice visit with the Terv girl Grace. After a very nice afternoon with all the two- and four-legged friends and a big thanks to Susan, Lila was fully ready to go to her forever home with Linda.

## CHARISSA/ LILA: A RESCUE STORY, Continued

On Friday, May 21, 2011, Lila, Cody and I started on the trip to Mt. Vernon, Missouri, just east of Joplin-- the half-way point between TX and WI. We found a park named Wynne Park just off I-44 that we thought would be a nice place to meet and make the transition from adopted mom to forever mom.

Well, the weather did not give us any cooperation; it rained almost the whole time. Luckily there was a closed gas station with a cover across the street from the park so we didn't get too wet. (And the tornado waited till Sunday afternoon.)

For Linda it was Christmas in May. Lila and Linda were off to a good start, but sometimes the road of life has some big bumps. Linda emailed at the end of the first week to tell me Lila was doing great, but sadly Linda's mother passed away on Monday, May 24, so Lila was introduced to the whole family. Lila did very well with meeting all the family and she was a good distraction for everyone since she is a happy girl and loves playing with her new toys.

In my opinion, sometimes angels have four feet.

By the end of the week things were starting to be normal again and she was enjoying spending time outside in her flower garden with Lila at her side. Linda is looking forward to everything she has planned for Lila.
