PRESIDENT'S MESSAGE

by Devota Swenson

President, Lone Star Belgian Tervuren Club

I want to thank all the members that came out to support us in Dallas at the Supported Entry Show. I want to send a big thank you to Jeff and Cynthia who helped with the trophy handouts, how did I forget that part??!!! I want to say thank you to Deb Lyons for producing some beautiful embroidery on the winners' bags and totes and Narda Reed for pulling together the raffle basket.

I learned a few lessons from doing this event: to double check everything, fill out the paperwork correctly the first time and to make sure our ringside table is empty (it wasn't) and that some of the clubs don't allow raffles or drawings. I also learned that we will have to come up with something very special for the next fundraiser, raffle, basket, or trophies. We managed to pull the event off, recoup some of the money that we spent and I think it started a pleasant weekend of showing for everyone.

Congratulations to all the winners and participants. (Results are posted below.)

As I mentioned at our meeting, I will be starting to explore the option of electronic meeting and associate membership options for the club. Texas is a big state and traveling to meetings can get expensive with hotels and trip costs. I will be working on this in August during my break from classes so look for some information forthcoming via email.

I look forward to seeing you all in the fall, and hopefully the weather will be cooler for the Canton and Belton shows where we are trying to build majors. We will have our next meeting at the Belton show on Saturday.

Devota, Narda and Lindsey

As all of you know, it can be fun and stressful getting ready for those few minutes in the show ring. Narda Reed and I had a reserved grooming space in Dallas and I got a message from a friend in Golden Retrievers that she needed space and access to electric. She was only coming on Saturday for the day and could we fit her in?

We were only planning on one or maybe two dogs, but something happened and we ended up with four Golden Retrievers and two Tervuren in our grooming space. She brought a welcomed cup of coffee, four crates and another grooming table. This created a whole lot of fun and excitement. Three dogs getting poofed, primped and brushed out at the same time. We were able to share tips, tricks and help each other get ready for the shows. That to me is what dog showing is about: a bit of fun, a bit of excitement and new friendships made through our love of dogs.

WELCOME TO NEW MEMBERS!

TIFFANY AND TOBY HOLLEY

Thank you to the LSBTC for allowing my husband and I to become members of your club. While my husband and I have Malinois, we do help my mom with her Tervuren. While we know many of you, allow us to introduce ourselves. Toby and I live in a small town in West Texas called Kermit. Toby is a Deputy Sheriff and I am a Paramedic and assistant administrator for our county EMS Service. I have been involved in dogs for several years with my mom, however Toby just began his "Dog Show Journey" when we got our first show dog in 2015.

While Toby and I have no children at this time, we lovingly share our home with our 9yo Weimaraner Gunny, and our 2yo Malinois Hades. While Gunny is not purebred, he does have a PAL and competes in AKC Rally. Gunny has earned two legs toward his RN by winning his RN class at his first two trials. He is also a CGC and CGC-A. Gunny will start Therapy Dog training in the fall.

Hades, "Belcol Hot Wheels on Fire at Lananzoor" competes in Conformation and soon to start AKC Rally. Hades has 13 points including one 5 point major toward his CH, and he is exclusively Owner Handled. Hades did win his first Owner Handler Group placement at the young age of 6 months and one day. He earned his first title, CGC at the Canton, TX shows last fall. Hades continues to surprise us and is a joy to be around.

Toby and I love meeting new people, so if you don't know us personally, feel free to stop and say Howdy and meet our crew. Thanks again for allowing us to join the LSBTC and know that we are willing to help in any way possible.
