PRESIDENT'S MESSAGE

by Devota Swenson

President, Lone Star Belgian Tervuren Club

Spring is here and it is time to plan for the 2019 Belgian Tervuren National held in Weirsdale, Florida. It is an exciting time, lots of Tervuren will be gathering from around the country.

Alo and I will be making the trip in a few weeks. I am very excited to be going again; I have made some incredible friends in this breed and can't wait to see them and their dogs.

We recently had another success in rescue, a Terv from San Antonio spent a few days at the house with Alo and me before he started on his adventure to New Jersey!

American Belgian Malinois Rescue helped pull this young boy from South Texas and got him to a veterinarian to get healthy. Without your support and donations to rescue, this would not have been possible. Thank you to all who attended the Bitch and Brag dinner and all who support rescue.

NEWS! NEWS! NEWS!

Just a note to remind everyone that I need YOUR news! I can get most conformation reports easily, but there are so many other venues now I can't keep up with performance events! I love to report the working aspects of our breed, and highlight every success of our members.

PLEA FOR PICTURES AND REPORTS FROM THE ABTC NATIONAL SPECIALTY

For those going to the ABTC National Specialty--I would love to receive any pictures and reports for our next newsletter!

INTRODUCING NEW CLUB MEMBER GEORGIA XYDES

After 2 long-haired German Shepherds, one brought back from Germany, a friend suggested I look at Tervs since American shepherds had so many hip and bone problems.

Instant love, and after I located Linda Newsome in Oklahoma, I took home a pet puppy (Sparta) and worked her in obedience. The second Tacara puppy, years later, was Delphi, who quickly got her championship and an obedience title.

She had a lovely litter of 8 sired by Brago from San Antonio but then lost the whole second litter to a freak e-coli and staph infection she picked up somewhere during her pregnancy. We have deer all over here, so I suspect that. Almost lost her too, but she recovered though diabetic as an after effect.

One of the worst experiences in my life, hands down.

Tacara's Kastania's Korfu, her successor, just turned 3 and is working rally and agility, at which she excels. Also shows conformation off and on. So, I have owned Tervs now for something like 30 years, in sequence. Love the breed and thankful to Linda Newsome for trusting me with show puppies. Agility is my major interest now, though I dabble in other events.

ABTC/LSBTC SUPPORTED SHOW REPORT--JULY 7, 2019

by Tiffany Holley

Hi everyone. I would like to take a minute to update you all on the ABTC/LSBTC Supported Entry show that will be occurring in Dallas in July.

There really have not been any changes since my last update at the Bitches and Brags Dinner in February. All trophies have been donated and ordered. I have received the Sweeps Trophies and we have ordered the Walker Works items for the All-Breed show. I have placed an ad in the ABTC 2019 National Specialty Catalog advertising our Supported Entry. I have also shared this ad on Facebook and Devota posted it on the LSBTC Facebook Page. Hopefully we will have a good turnout.

Deb is handling the exhibitor gifts and the judges' gifts and has some really great ideas. Thank you again for letting me chair this event. I have learned a lot and I am really enjoying this experience. This is my first chair experience of any kind and I am grateful to be given the opportunity to do this for our wonderful breed.

On another note I am a member of the LSBTC due to my mother having Tervuren for many years and I have some dear friends in the club. While my husband and I do not have any Tervuren, we do have Malinois that we train and compete in various AKC & UKC venues with. I, with the help of a few long time Malinois enthusiasts, have founded the Bluebonnet Belgian Malinois Club. We are currently accepting applications for membership.

I understand that you all own Tervuren, I just wanted to share some info about the BBMC in case anyone would like to support the Malinois as well. I serve as President of the BBMC and I have told everyone that my first goal is to hold events that will benefit ALL Belgians in the future.

If you would like any more information on the BBMC please feel free to email me at Tiffanyholley@gmail.com or like us on Facebook at [@BluebonnetBMC](https://www.facebook.com/BluebonnetBMC)
