PRESIDENT'S MESSAGE

by Devota M. Swenson

President, Lone Star Belgian Tervuren Club

12/13/2020

Thank you all that could attend the supported entry show in Dallas on December 4th, 2020. I am very pleased with the entry and how the club managed to pull together to put on the supported entry.

A huge thank you to Tiffany Holley, our Show Chair, for making this happen after we got canceled in July and had to scramble to make December happen. A huge thank you to all that donated trophies, they were fantastic and the ribbons were outstanding! I got a lot of nice feedback from the participants who were thrilled with the gift bags, trophies, and ribbons. We missed seeing a lot of you, but hopefully by the next show season we will all be back to "normal".

We did not have a club general club meeting, as the facility was closed to the public and it was too much travel for many and not safe enough for others to attend. The board did get together for a zoom meeting on Wednesday December 2nd, 2020. It has been such a difficult year, and it was great to see and hear from those that attended.

Hopefully in 2021 we can get back to seeing each other, enjoying our dogs, the camaraderie and competing in our various sports.

Alo, Keir and I wish you all a happy holiday and blessings of joy in the New Year.

Devota Swenson

LONE STAR STATE CLASSIC SUPPORTED SHOW, DECEMBER 2020

by Tiffany Holley, Show Chair

Another great supported entry show is in the books. The ABTC/LSBTC Supported Entry show was a huge success despite the Covid-19 pandemic. We welcomed a nice entry of 14 Tervuren of which 10 participated in the Supported Entry. Unfortunately there were no sweepstakes entries. Lisa Leffingwell was very gracious and understanding and extremely appreciative for the bottle of Prosecco and the thank you card that the LSBTC provided. Mrs. Cindy Meyer was very appreciative of the notepad that we gave her as a token of our gratitude. Mrs. Meyer took her time and seemed to enjoy judging such a beautiful lineup of Tervuren.

The trophies were just perfect and they really made a statement. I heard the comment from several people that the trophies reminded them of Specialty Trophies. Tom and Dalene Masden did a fantastic job on the embroidery and handmade items. They were so easy to work with even with changing timelines due to COVID-19. Each exhibitor enjoyed their gift box which included a Self Isolation Kit, candy, a Belgian Tervuren sticker that was drawn using a Bic Pen, poop bags and dog treats. We were unable to have the group grooming area or go to dinner like we originally planned due to social distancing, limited capacities, and other reasons out of our control. Everyone seemed to have a fantastic time and really enjoyed the short time we all had together.

This show did have a few challenges that I had to adapt to, mainly the premium list and catalog being incorrect because they both had the Supported Entry being supported with rosettes that were donated by ABTC. I attempted to correct this at the club level, but was told that was not an option, so I came up with a remedy myself. I created small tags that I affixed to each trophy that stated who it was donated by and why it was donated. I also made a 2020 Supported Entry Donation Booklet that listed each trophy, who donated it and why it was donated and placed one inside each exhibitor gift box. This was the best remedy I could come up with and the exhibitors really like it. I believe I will continue to do this each year, and I truly believe that credit should be given where credit is due.

Thank you again for allowing me to chair the 2020 Supported Entry, a great time was had by all!

2020 Trophy & Rosette Donations

2020 has been a year of changes, uncertainty and confusion; however one mainstay has been our dogs. While we are having to adapt to a new normal, and our everyday lives are changing constantly, it is wonderful to be able to enjoy dog shows once again. This year has definitely brought its fair share of challenges, including planning this show. While this Supported Entry was originally scheduled to be held in July it was cancelled due to COVID-19 so I immediately went into overdrive and hoped it would get approved for December. I was thrilled when I found out that we could hold it at the December LSSC Cluster. Once it was approved, I faced an entire set of new challenges, dealing with a new Superintendent and a new All-Breed show chair. Luckily, we were able to get things smoothed out, with only one minor mishap. The Premium List Information was misplaced. I am deeply sorry that I did not notice this until the premium was printed and, unfortunately, MFB does not allow changes.

This supported entry show is mainly funded by donations and without them this show would definitely not go on. This information is typically printed in the premium list, however, since it was misplaced, I have printed in pamphlet form. I absolutely want to give credit where credit is due and publicly thank the individuals listed below for their generous donations.

I would also like to thank the LSBTC Board for allowing me to chair this show again this year and supporting me along the way. To my husband, Toby Holley, thank you for putting up with all my questions, frustrations and projects over the past year. I love you to the moon and back. To my mom, Tammy Fambro, thank you for passing your love for dogs and this great breed to me. To “My Bestie” Devota Swenson, thank you for all the supportive texts, the late night calm down sessions and allowing me to vent for what seemed like hours.

Enjoy your weekend, good luck and have fun!
