### From the Senior Regent

Dear Co-Workers

With the COVID-19 cases rising in our area, I would like to take a minute to ask that we do our part with social distancing as much as possible. Please wear your mask when out in public. With all of us working together and doing our part, we will get through this pandemic.

We need to keep a positive attitude to let members know they are important to the WOTM and want them to be involved. We should encourage members to attend the WOTM meetings and participate in all lodge activities. We should also encourage friends and co-workers into joining the Moose too. I am interested in hearing from co-workers to better the WOTM and encourage them to participate.

All co-workers can help educate current members and potential new members in all the WOTM do for our community. Mooseheart and Moosehaven are near and dear to our hearts, along with Relay for Life, St Jude's Children's Research Hospital, our Public Library and Boy Scouts just to name a few.

The Moose is a great place to dine and socialize with our friends and families because we have so much more to offer than just being a bar. There is something for all members to participate in here at the lodge. Membership retention is always on our agenda and is always one of our biggest challenges. We need to talk with members and potential members, give them a call, send them a text, or talk with them face to face and give them an understanding of what the Moose is all about. All members are important to us and we would love to see you at our monthly meeting to hear new ideas and help us to be the best we can be.

Please give me a call if I can help you in any way.

Terrie Grubbs, Senior Regent
