As a faith community, Notre Dame includes a wide range of parishioners residing throughout the region; families with children enrolled in our school; young adults, retirees and seasonal visitors. Embracing this diversity we will focus on bringing Christ and His teachings – the Good News – alive in the way we live and in how we interact with our parish, our school, and the extended community. We seek to welcome all to the Eucharist, to create better fellowship, to enrich and deepen our spiritual lives, and to fully embrace discipleship and stewardship.

Celebrate Catholic Schools!!

During the week of January 28-February 3, Catholic schools throughout the United States will celebrate Catholic Schools Week. Michigan City's four Catholic schools will each take part in the celebration during this special time. It is an opportunity for our city and the nation to put on display the benefits of a Catholic education.

We in Michigan City are so fortunate to have four Catholic schools in our community. For a city of our size this is not common, and it is a testament to those who have gone before us to see the need to establish and foster such schools. It is also refreshing that current proponents of Catholic schools recognize how important it is to continue to support these vital schools.

Catholic schools educate the entire person both spiritually and academically, in a safe and nurturing environment. These schools have always prided themselves on high academic standards, and as such are a wise investment in the lives of young people. It is an investment that pays dividends for life and continually grows in value.

There are a number of things that separate Catholic schools from other schools, and primary among them are faith and the daily exposure to religion (Theology) classes. Faith is at the heart of Catholic schools. Everything these schools do on a daily basis is grounded in faith. God and prayer are the lynch-pins of a Catholic education. Morals, ethics, kindness, caring, the differences between right and wrong, respect for the dignity of each person, love, and service to others are key elements of what Catholic schools are all about. Each school is a family--a very close family.

Catholic schools are "gems" in any community. They are precious. Each student is a unique individual and is given the close attention for which Catholic schools are known. They are special places where students are treated in a special manner.

During these changing and challenging times, one thing is constant: Catholic schools continue to focus on what is most important in the development of our young people. They keep students grounded in their faith and values. The benefits of a Catholic education are life-changing.

From Father Keith

We have just completed Catholic Schools Week. Let's be grateful for the success of our school, the hard and patient work of our principal, administration and teachers, and the support and cooperation of our families and students.

Over the past year Bishop McClory has been conducting visitations of each of the parishes in our diocese. He will be visiting Notre Dame on Wednesday February 7. He will celebrate the 8:30 Mass, followed by a walk through our school, a meeting with me, the pastor, and lunch with our Pastoral Council. All parishioners are welcome to attend the 8:30 Mass and greet the bishop in the vestibule with coffee and cookies afterward.

Rumor has it that the bishop will not be making any decision on the future of Michigan City Parishes until later in February, after the Nd visitation.

Notre Dame Parish will soon be in need of a full-time bookkeeper. Our current bookkeeper, Laureen Raymond is retiring after 14 years with ND. The position includes salary, insurance and retirement benefits. Please contact the parish office if interested: 21 9-872-4844; kcate@notredameparish.net

*From the Salvation Army, Michigan City
Dear Friends,*

We want to extend our sincere gratitude for your recent donation of \$3,746 to the Salvation Army of Michigan City. This generous gift helped us meet our Christmas Campaign goal for 2023 by raising \$230,000. These funds will help continue our mission of "Doing the Most Good" as we serve those in need in community.

*Wishing you God's blessing in 2024
