

February 2020

Every story starts with an idea, but it is the characters that move this idea forward.

COT Neighbors United is a grassroots group of neighbors working together to enhance our beautiful city.

Hi! I'm Adam. I'm a member of COT Neighbors United. I've lived in this area all my life, and continue to raise my family here. I volunteer my time helping with COT Neighbors United's pop-up playgrounds. I help transport all the cardboard boxes and play equipment. I help set up and break down the pop-up events. I support COT Neighbors United because I believe in the message they are trying to spread.

Popup Playgrounds

The winter blues can't keep us down. We can always have fun at our popup playgrounds. Watch our facebook for popup dates. We are looking forward to many play days at our beautiful parks around the city. A winter popup including sledding, hot chocolate and popcorn will be on [February 23rd 10am-12pm](#). Other fun popups include a Mudd popup, our 2nd annual box fort building competition and a special 1 year Anniversary popup playground. Stay tuned for more dates as they come available.

WISH LIST

Our Popup Playgrounds are fun but they run on the donations of our amazing community members. We are looking for donations of old boxes, rice, bubble wrap, tape, anything that a child could use to enhance their inner imagination and enhance play. If you have an extra box laying around contact us, we would love to take it off your hands. Thanks to all that have helped make these play days so fun!

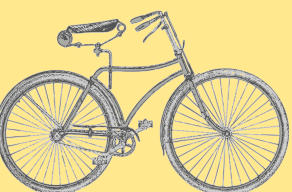

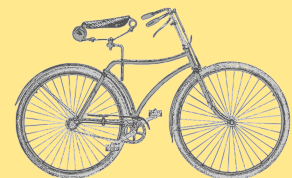

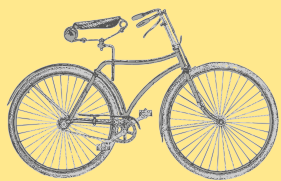

Looking Ahead

A few things to look out for as the warm weather approaches.

Don't have a bike but still want to help? Contact us, we will be looking for volunteers to help tune up and do minor repairs to our donated bikes. We will be collecting bikes until May. Lets spread some happiness to the children of our city!
