Victorian Home Tours

The 1st Annual Victorian Home Tour was a great success! Five wonderful City of Tonawanda home owners opened their doors and invited us in to view their amazing house's detail and listen to great history of the residence. Thank you to all that came out to view the homes and to the home owners for allowing us to fall in love with the history of their house. A special thank you to Skip Johnson for his background of the homes and Christina Limniatis for her great detail of the architecture. Did you miss COT Neighbors United's 1st Annual Victorian Home Tour? Don't worry, we'll be back next year. Keep an eye out for ticket registration in 2020.

Thank you to all our volunteers at these great events. Thank you for everyone's support and thank you to all that have donated to COT Neighbor United's vision of bringing the City together to build a great place to live!
