Letter from the Editor

By John Steinmetz

The Winter season is leaving us as we get into some competitive events. The competition at the top is heating up as some fast people have joined the club. This edition of PSRR Newsletter is coming out just before the Irish Fest 5k. Mark Walters is doing another great job pulling this race together. Thanks Mark and thank you for the volunteers.

This newsletter hopefully captures our clubs experiences and provides a little entertainment. I truly believe that our members can provide entertaining and informative articles to make future newsletters better. We have had great articles in the past from some of our members. Thanks Amy McGoldrick., Mike Auld., Mark Bowman, Javier, JT and others that contributed last year.

I believe supporting our race directors is super important. I would propose giving up to a circuit credit to those who contribute articles of one to three pages long to the Newsletter. Articles may cover anything of interest to the PSRR members. You decide. I personally like to hear how accomplished runners achieve their success. I really enjoyed Mark Bowmans 100,000 mile article. Amy's article on running the hills of Europe was amazing. I learned form J'T's training and Boston experience. I'm hoping people share their through hiking experiences and how the training impacted their running.

Circuit credits for articles is a board decision. Board, what do you think?

Your editor,

John Steinmetz

RESULTS

Kankakee Winterfest 5k, Feb. 5th

PSRR showed up in full force for the 38th running of the Kankakee Winterfest 5k on February 5th. We had at least 40 runners/walkers participate with many members picking up awards. The weather was exceptionally delightful with a 45F temperature and sunny skies. The winds from the west were the only damper to the first PSRR circuit race of 2023.

The Kankakee Running Club took the time to post videos of each runners finish. Klick on each of the RESULTS links above to check it out! 2023 new members that ran at the 5k were: John Collet, Mary Beth Casarez, Charlene Hamann, Tracy Graal-Smith, Jamica Barcus and Robert Reiter.

John Collett took 3rd overall and garnered 1st in the PSRR Age Group Standings. Traci Ethridge took 1st was the first female finisher and Clark Anderson took the Male Master's 1st place finish and 4th overall.

Pictured below is our pre-race group picture and some of our award winners.

COACH'S CORNER

How to Run Downhill

By John Steinmetz

Begin the training season running downhills slowly, focusing on foot strike and form. If you are heal striking first, you are running too fast. As your training progresses, you should be able to pick up speed gradually, maintaining good form and landing properly.
