

# **HSE PROGRAM**

**For**

**E & B OILFIELD SERVICES INC.**

## **Assignment of Responsibility**

In accordance with OSHA regulations, our company has assigned responsibility and accountability for the administration of our “HSE Program” to:

**Danny Abegglen**

**June 25, 2015**

Depending on your location, this HSE Program may also be referred to as a SHE or EHS Program.

The Federal OSHA designation is “HSE”; however, you will notice that all the terms are used.

A copy of the HSE Program is available upon request for our employee’s review. Questions should be directed to supervision or management.
