March 13, 2020

Dear West Valley Christian Academy Families,

As the Coronavirus situation continues to unfold, we want you to know that we care about each and every one of our students and families. Please rest assured that every precautionary action is being taken to ensure the well-being of our staff and students. Besides our regular cleaning practices, we are following the guidance of the CDC with frequent hand washing and frequent sanitation of high touch areas. We will continue to stay open as we have no families who have been identified as having the virus. We will keep you updated as information becomes available.

We appreciate your support during this time. Please call if you have any questions.

Sincerely,

Cindy Sasser  
WVCA Principal
