## RACE AND ETHNICITY REPORTING FORM

Parents/Guardians,

In October of 2007, the U.S. Department of Education started requiring all schools and child care centers to comply with federal Office of Management and Budget race and ethnicity guidelines. Schools and centers are now required to collect race and ethnicity data using a two-part question. **Part A** asks if the student is Hispanic or Latino. Hispanic/Latino is considered an ethnicity, not a race. **Part B** asks the race(s) of the student. In order to comply with reporting requirements, we need to have parents/guardians complete this form for each student. This information will remain confidential.
