

Puppy Questionnaire

This questionnaire is the first step in getting to know you and understanding your preferences. The questions are designed to allow the right placement of each puppy by bringing the requirements of both the puppy and the new owner(s) to light before a choice is made. The puppy's welfare is my foremost consideration. Please realize that completing this questionnaire is in no way a commitment on your part to purchase a puppy from me, or on my part to place a puppy in your home. Thank you for your cooperation and interest.

Contracts

All owners will be required to sign a contract. As a Breeder of Merit and a member of the Colonial Rottweiler Club, I am required to sell all puppies on a contract. The contract describes your responsibilities as a Big Beach Rottweiler owner and my responsibilities to you. The contract is designed to provide requirements for what is in the best interest of the puppy from both the owner and the breeder. All of our companion or pet puppies are sold with AKC Limited Registrations and spay/neuter contracts.

The dog will be spayed/neutered no earlier than 18 months of age and will require written proof that the procedure took place. AKC Limited Registrations are registered with the AKC, however; none of the offspring would be eligible for registration.

A dog with a Limited Registration as well as a spayed or neutered dog can compete in all AKC events EXCEPT the Conformation (show) events.
