Charlie	Wilson	Catalina 22 SK	9226	<i>No name</i>	CYC	278	

NOTES: Most "base" ratings are assumed to be spinnaker ratings for a boat carrying a full complement of sails.

If no spinnaker rating is published, LCSA will add :15 seconds to that boat's base rating to arrive at their non-spinnaker rating.

Handicaps highlighted in yellow are the declared (spin./non-spin.) rating for that series.
