# OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We will begin using the logo more frequently to identify the organization. We are proud to celebrate our fifteenth birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

## THE *Organization*

Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last fifteen years the band and choir has produced thirty-one concerts. also during our first fifteen years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration, LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte and Lafayette. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 150. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☼

# Christmas

**Man In Red** Father Christmas is based on a real person, St. Nicholas, which explains his other name 'Santa Claus' which comes from the Dutch 'Sinterklaas'. Nicholas was a Christian leader from Myra (in modern-day Turkey) in the 4th century AD. He was very shy, and wanted to give money to poor people without them knowing about it. It is said that one day, he climbed the roof of a house and dropped a purse of money down the chimney. It landed in the stocking which a girl had put to dry by the fire! This may explain the belief that Father Christmas comes down the chimney and places gifts in children's stockings.

## Mistletoe and Holly

Two hundred years before the birth of Christ, the Druids used mistletoe to celebrate the coming of winter. They would gather this evergreen plant and use it to decorate their homes. They believed the plant had special healing powers for everything from female infertility to poison ingestion. Scandinavians also thought of mistletoe as a plant of peace and harmony. They associated mistletoe with their goddess of love, Frigga. The custom of kissing under the mistletoe probably derived from this belief.

## The Christmas Tree

The Christmas Tree originated in Germany in the 16th century. It was common for the Germanic people to decorate fir trees, both inside and out, with roses, apples, and colored paper. It is believed that Martin Luther, the Protestant reformer, was the first to light a Christmas tree with candles. Struck by the beauty of the starlight shining through the branches of a small fir tree outside his home he duplicated the starlight by using candles attached to the branches of his indoor Christmas tree. The Christmas tree was brought to America by the Pennsylvania Germans in the 1820's.

## Interesting Facts

### ABOUT Christmas

◆Electric tree lights were first used just 3 years after Thomas Edison had his first mass public demonstration of electric lights back in 1879. Edison's assistant, Edward Johnson, came up with the idea of electric lights for Christmas trees in 1882. His lights were a huge hit. It took quite a few years, however, before they would be made available to the general public.

◆The turkey was imported to France by the Jesuits and it is still known in some French dialects as a 'Jesuite'.

◆December 25th was not celebrated as the birthday of Christ until the year AD 440.

◆St. Francis of Assisi introduced Christmas carols to formal church services. The first Christmas stamp was released in Canada in 1898.

◆In 1843, the first Christmas card was created on the instructions of an Englishman, Sir Henry Cole. J.C. Horsley designed the card and sold 1000 copies in London.
