### IN MEMORIAM

We respectfully and lovingly dedicate our 2011 Christmas concert to the memory of a wonderful and special friend, **Glenn DeLaune**. In addition to playing trombone with the ECCBC, Glenn directed several church choirs and was part-time conductor and trombonist with the Iberia Community Band. It is a special blessing that Glenn's wife, Mary, continues to perform with the ECCBC.

# THE *Organization*

*Established in 1990*

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last twenty-one years the band and choir has produced forty-three concerts. Also during these twenty-one years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining sing-

ers from across the country, the group was directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 150. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☚

# OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We will begin using the logo more frequently to identify the organization. We are proud to celebrate our twenty-first birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

THE  
*Liberty Center*

Construction of this vaudeville silent movie house began in 1920. Financial failure halted construction on the *Electric Theater* with the outside walls only partially completed. Purchased by Claude Keller and A.F. McGee Sr., the theater was completed and opened July 19, 1924 as the New Liberty Theatre.

This *Premier Temple of Amusement*, is listed on the National Register of Historic Places by the United States Department of the Interior and has been included in the National Trust Guide of Great American Movie Theaters Preservation Press Guide published by the Smithsonian.
