THE
Organization
Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last twenty-nine years the band and choir has produced fifty-nine concerts. Also during these twenty-nine years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining sing-

ers from across the country, the group was directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☚

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We are proud to celebrate our twenty-ninth birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

LIBERTY CENTER

Construction of this vaudeville silent movie house began in 1920. Financial failure halted construction on the *Electric Theater* with the outside walls only partially completed. Purchased by Claude Keller and A.F. McGee Sr., the theater was completed and opened July 19, 1924 as the New Liberty Theatre.

This *Premier Temple of Amusement*, is listed on the National Register of Historic Places by the United States Department of the Interior and has been included in the National Trust Guide of Great American Movie Theaters Preservation Press Guide published by the Smithsonian.

CHRISTMAS!

The ECCBC is pleased to feature the works of local artists in the lobby. Please take time to visit the exhibit.

Ted Bertrand
TED BERTRAND

Growing up in St. Landry Parish, Ted was always appreciative of the look of the old buildings and structures that dotted the South Louisiana landscape. After retiring from being a Junior High Science and Art teacher, Ted began to focus on creating paintings of some of these beautiful old Cajun homes and farms

that seem to be quickly disappearing.

After having been encouraged by his wife, Ava, and friends, Ted began to show in different venues in South Louisiana and now has the honor to have a gallery in the town of Sunset which shows the work of Anne Matt and Catherine Myers as well as his own works. Every month the gallery showcases the work of a guest artist and opens each month with an open house event to introduce that particular guest artist.

Marne Meynig
MARNE MEYNIG

I have always had the interest and desire to create art and now have the opportunity and time to fulfill that desire. I live in south Louisiana and attempt to capture the subjects unique to this area. I also like to capture images of earlier times that reflect the heritage of the coastal south.

I hope to capture images that might otherwise be overlooked. My art is acrylic on board or canvas.

I have discovered that the area in south Louisiana where I live is alive and bustling with art and music. There are so many accomplished artists in the area that there is never a lack of inspiration.

Catherine Myers
CATHERINE MYERS

Catherine Myers traveled extensively in the US and abroad which has given her a deep appreciation of a wide variety of cultures and landscapes. Her family roots are here in Cajun country and she currently resides in Opelousas. She is a self taught artist who is passionate about creating beautiful works of art that reflect her love of people, animals and nature.
