THE
Organization
Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last thirty-one years the band and choir has produced sixty-one concerts. Also during these years we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☚

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We are proud to celebrate our thirty-first birthday this year, and are excited about our future. It is our desire that this logo would be recognized as *a mark of excellence!*

A wonderful place to live.

A musical place to visit.

A decorative graphic featuring a silver metal clothes hanger with a black outline. A yellow and black electric guitar is positioned behind the hanger, with its neck and body visible. The hanger and guitar are set against a white background.

Ornament FYI

- ♦The most expensive Christmas tree decoration that is functional is a diamond-studded star that costs a staggering \$950,000. Crafted using gold, silver and 281 diamonds including a flawless rare large diamond in the middle it was created by the UK jeweler 77 Diamonds to showcase their jewelry expertise.
- ♦The largest Christmas bauble ornament is 15' 4" in diameter, and was achieved by The Dubai Mall in Dubai, UAE, in 2018. The ornament weighed 2,425lbs.

- ♦The first decorated trees were adorned with apples, candy canes and pastries in the shapes of stars, hearts and flowers.
- ♦The Rockefeller Center Christmas Tree has been a national tradition each year since 1933. The Swarovski-crystal star that tops the tree first appeared in 2004 and is nearly 10 feet in diameter.
- ♦Germany was the exclusive producer of glass ornaments until 1925. In 1925, Japan was the next country to produce significant quantities of ornaments. Czechoslovakia and Poland, both countries with strong glass-making traditions, entered the marketplace in the late 1920s.

EUNICE MAIN STREET

Eunice is embracing potential and opportunity and roaring to life with regard to business activity as well as cultural and family-oriented programming. We have only begun to tap the exciting potential and explore opportunities to grow and shine as we move into a bright future!

Evidence of the exciting lunge forward can be found in several events in the short period of the past three months. Impressive indications that momentum is building are events (both by local organizations and the Main Street Program) such as: *Fall Into Downtown* (which featured live music and fun in the heart of Eunice), a *Christmas Festival* at the Eunice Community Garden, the *Sip & Stroll* event (drawing energy from the local business community).

Businesses across Eunice have been dressed and decked out for Christmas, proof that we are riding a wave of progress that bodes well for what's to come. Take a ride around town after sunset to see all the Christmas lights and decorations.

Don't miss Eunice's PARADE OF LIGHTS next week: Thursday, Dec 16, 6:00pm. With over 30 entries, the parade will be extra special this year, featuring lots of light-ed floats and trailers with riders ranging from local civic leaders, schools, churches, civic organizations, antique cars, marching bands and more!
IMPORTANT: The route will be Eunice's typical high school homecoming parade route -- N Second to Eunice Junior High School via 2nd Street and Park Avenue!

THANK YOU to citizens, businesses, civic groups, school & community organizations for embracing POSSIBILITY in a healthy and positive way...and the fun has just begun!

Christmas Maze

Can you help to deliver the presents to the Christmas tree?

A large red maze with a yellow gift box on the left and a green Christmas tree with presents on the right. The gift box has a white ribbon and a grey arrow pointing into the maze. The tree is decorated with red and yellow ornaments and has several wrapped presents at its base. Blue snowflakes are scattered around the maze.
