Answer: It's Dry in Louisiana.  
 So, How's the weather?

**Music is a discipline, and a mistress of order and good manners, she makes the people milder and gentler, more moral and more reasonable.**

MARTIN LUTHER (1483 - 1546)

**VIVA** (*It. long live, Sp. to live, hurrah*) **MUSICA** (*It. & Sp. music*)

Since the dawn of time, music has served to transcribe the historical record of the emotion and passion of mankind. Whether loudly roaring at a rock concert, softly serenading the memorial of a fallen hero, celebrating our most joyous occasions, enhancing our spiritual worship, softly playing as we shop or ride in elevators, setting the mood during a movie or tv show, or heralding the entrance of a monarch... it is MUSIC that makes all the difference. Imagine all of these things with no music at all. On second thought, let's be glad we don't have to! **Viva Musica!**

Liberty Center

Construction of this vaudeville si-  
lent movie house began in 1920. Fi-  
nancial failure halted construction  
on the *Electric Theater* with the  
outside walls only partially com-  
pleted. Purchased by Claude Keller  
and A.F. McGee Sr., the theater  
was completed and opened July 19,  
1924 as the New Liberty Theatre.

This *Premier Temple of Amusement*,  
is listed on the National Register of  
Historic Places by the United States  
Department of the Interior and has  
been included in the National Trust  
Guide of Great American Movie

## MOZART 250

**Wolfgang Amadeus Mozart** - the name summons up visions of powdered wigs, aristocrats, concert halls and opera houses. But the music of this 18th century genius pervades our society, appearing in cartoons, movies and just about anywhere there is music.

January 27, 2006 marked the 250th anniversary of Mozart's birth in Salzburg, Austria. ☘

# OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We will begin using the logo more frequently to identify the organization. We are proud to celebrate our sixteenth birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

# THE *Organization*

*Established in 1990*

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last sixteen years the band and choir has produced thirty-two concerts. Also during our first sixteen years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration, LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte and Lafayette. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 150. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☘

# EUNICE PLAYERS' THEATRE

UPCOMING

## The Cemetery Club

...a two-act  
 comedy/drama  
 opening in late  
 September

**VEXING** The longest piano piece of any kind is 'Vexations' by Erik Satie. It consists of a 180-note composition which, on the composer's orders, must be repeated 840 times so that the whole performance is 18 hours 40 minutes. Its first reported public performance in September 1963, in the Pocket Theater, New York City, required a relay team of 10 pianists. The New York Times critic fell asleep at 4 a.m. and the audience dwindled to 6 masochists. At the conclusion, one sado-masochist shouted 'Encore!'

**Here's the Scoop On the Flute**

The flute is a musical instrument of the wood-wind family. Unlike other woodwind instruments, a flute produces its sound from the flow of air against an edge, instead of using a reed. A musician who plays the flute is generally referred to as either a flautist or a flutist.

Flute tones are sweet in character and blend well with other instruments. The flute's pitch, and various aspects of its timbre are flexible, allowing a very high degree of instantaneous expressive control.

**TRIVIA**
