**GREAT SEAL
OF THE
UNITED
STATES**

Before it adjourned on July 4, 1776, the Continental Congress of the newly independent United States passed a resolution: Resolved, that Dr. Franklin, Mr. J. Adams and Mr. Jefferson, be a committee, to bring in a device for a seal for the United States of America. Thus, three of the five men who had drafted the Declaration of Independence were brought together in further service to their country. The revolutionaries needed an emblem and national coat of arms to give visible evidence of a sovereign nation and a free people with high aspirations and grand hopes for the future. The task proved far more difficult than anticipated; it took six years, two more committees, and the combined efforts of 14 men before the Great Seal of the United States became a reality on June 20, 1782.

NEW ORLEANS

New Orleans' beloved Saenger Theatre reopens Fall 2013 following a \$51 million restoration!

The opulent and historic theatre was among the many victims of Hurricane Katrina in 2005.

Although it was built to house live events, the Saenger's backstage area became undersized over time -- too small for many complex megaproductions, like *The Lion King*. The theater's rear wall was pushed back, creating a new, larger stage house to accommodate modern touring companies.

The 2,700-seat theater has acquired one of its flanking properties and will use that space for additional amenities.

The building is now owned by the city, through the Canal Street Development Corp. The Arts Center Enterprises, New Orleans -- the same company that manages the Mahalia Jackson Theatre for the Performing Arts -- has a 52-year management contract at the Saenger.

We have noted several of the scheduled performing arts opportunities at the Saenger (opposing page).

THE
Organization
Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last twenty-three years the band and choir has produced forty-six concerts. Also during these twenty-three years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining sing-

ers from across the country, the group was directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 150. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☚

FREEDOM IS NOT FREE!

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We will begin using the logo more frequently to identify the organization. We are proud to celebrate our twenty-second birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

Special Thanks to

CROWLEY ROTARY CLUB

THE
Liberty Center

Construction of this vaudeville silent movie house began in 1920. Financial failure halted construction on the *Electric Theater* with the outside walls only partially completed. Purchased by Claude Keller and A.F. McGee Sr., the theater was completed and opened July 19, 1924 as the New Liberty Theatre.

This *Premier Temple of Amusement*, is listed on the National Register of Historic Places by the United States Department of the Interior and has been included in the National Trust Guide of Great American Movie Theaters Preservation Press Guide published by the Smithsonian.

ust for fun RIDDLES

1. I turn around once. What is out will not get in. I turn around again. What is in will not get out. What am I?
2. Until I am measured, I am not known; yet how you miss me when I have flown. What am I?
3. What word starting with BR, with the addition of the letter E, becomes another word that sounds the same as the first?
4. You are participating in a race. You overtake the second person. What position are you in?
5. Mary's father has five daughters: 1. Nana, 2 Nene, 3. Nini, 4. Nono. What is the name of the fifth daughter?

If this is how far Cleco goes to be safe around electricity, how far should you go?

Extensive Safety Training

Hard Hat

Safety Glasses

Insulated Rubber Protective Sleeves

Special Insulated Rubber Gloves with Rubber Glove Protectors

Flame-Resistant Shirt and Pants

Kevin Hebert, Cleco Senior Line Mechanic

At Cleco, we go to great lengths to be safe around power lines. Here are a few things you should do. Never trim trees or dig around power lines. And always stay away from downed lines. Respect electricity and it will do its job. We'll make sure of that. For more electrical safety information, go to cleco.com.

Our people. Your power.
