Golden Rules for Ensemble Singing

1. Everyone should sing the same piece.
2. Take your time turning pages.
3. Do not worry if you do not have perfect pitch – you may find singing less stressful without it!
4. The right note at the wrong time is the wrong note.
5. The wrong note at the right time is still a wrong note.
6. A wrong note sung timidly is still a wrong note.
7. A wrong note sung with authority is an interpretation.
8. A true interpretation is realized when not one note of the original remains.
9. If you happen to sing a wrong note, give a nasty look to one of your neighbors.
10. If everyone gets lost except you, follow those who get lost.
11. If you are completely lost, stop everyone and start an argument about repeat marks.
12. Strive to achieve the maximum notes per second – that way you at least gain the admiration of the totally incompetent.
13. If a passage is difficult, slow it down. If it is easy, speed it up. Everything will work itself out in the end.
14. Markings for slurs, dynamics, ornaments and breathing should be ignored. They are only there to embellish the score.
15. When everyone else has finished singing, you should not sing any notes you may still have left.

THE
Organization
Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last twenty-six years the band and choir has produced fifty concerts. Also during these twenty-six years, we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☞

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staged used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We will begin using the logo more frequently to identify the organization. We are proud to celebrate our twenty-sixth birthday this year, and are excited about our future. It is our desire that this logo become...*a mark of excellence!*

LIBERTY CENTER

Construction of this vaudeville silent movie house began in 1920. Financial failure halted construction on the *Electric Theater* with the outside walls only partially completed. Purchased by Claude Keller and A.F. McGee Sr., the theater was completed and opened July 19, 1924 as the New Liberty Theatre.

This *Premier Temple of Amusement*, is listed on the National Register of Historic Places by the United States Department of the Interior and has been included in the National Trust Guide of Great American Movie Theaters Preservation Press Guide published by the Smithsonian.

At Cleco, we go to great lengths to be safe around power lines. Here are a few things you should do. Never trim trees or dig around power lines. And always stay away from downed lines. Respect electricity and it will do its job. We'll make sure of that. For more electrical safety information, go to cleco.com.
