

"Elevate Vision Eye Mission-Branson"

Ever thought about going on an Eye Mission to help those in need of eye care? Have you ever wondered about what happens to all those eyeglasses we diligently collect? Are they merely stored away in some forgotten box somewhere? Well, brace yourselves for fantastic news! Lions Leon Hove, PDG and Devin Struttman, PDG from the Missouri Lions Eye Mission Foundation will unravel the mystery and provide you with a firsthand experience of where those glasses go and how they make a difference in the lives of those in need.

We are thrilled to introduce the "Elevate Vision Eye Mission-Branson" as this year's Convention service project. In collaboration with the Missouri Lions Eye Mission Foundation and Elevate Branson, we aim to extend vision screenings, exams, and eyeglasses to individuals who require assistance. Mark your calendars for Friday, March 22, 2024, from 10 am to 3 pm at Elevate Branson, 310 Gretna Road, Branson, MO.

A special shoutout to Hannah Witcher of Elevate Branson for her outstanding community outreach, meticulous transportation arrangements, and collaboration with an optometrist to provide essential eye exams.

LIONS, you've already embarked on the first step by contributing your eyeglass collections. Now, it's time to take service to the next step and elevate the vision of Branson! Reach out to Lion Wendy Jackson and inform her of the times you are available to volunteer for this impactful mission. We need your help; this experience WILL change your life.

Contact Lion Wendy Jackson at wjackson@missouristate.edu or via text/call at 417-844-5636. Let's join hands to make a significant difference in the lives of those in our community!
