

Going once, twice...sold!

Get ready to grab your auction number and bid often on the many anticipated items at our Annual District Convention Silent Auction. To be successful we need help from our clubs and any individual Lions who would like to donate an item or two for the auction. Nothing is too big or too small to donate.

Items can be brought directly to Friday night hospitality night during the district convention and given to the silent auction chairman's, Lion Tommy Claxton or IPDG Bart Tibbs. Please email either Lion Tommy or Lion Bart a brief description of any auction item(s) as it will help the committee plan for the event.

Thank you and be ready to bid often for some great items that are sure to come up for bid.
