Brenda Lee Edwards presented an idea to put together a glossy booklet featuring the residents of the town 90 years old and older. Residents would be interviewed.

Suggestion of offering Ad spaces and charging upwards of \$300 or more per space, depending on size.

Concerns were raised about the cost being too much and the pamphlet not having to be elaborate.

This was tabled to be discussed at the next meeting.

More detailed discussions items ensued on the Parade, on a flyer with a schedule of events and a map of where the events will take place.

T- Shirt and design

Using the chosen theme

Asking Principle Mark Hayward if the students could be part of the design either by a contest or a collaboration of students ideas and art.

There are shirts left over from the last Old Home Day that could be used. They have no design on them so one could be added.

Also if students volunteered for activities, could this count towards their community service project.

As of this meeting, the following folks have offered to volunteer in one form or another:

- [] Patty Seymour Historical Society
- [] Sue Mahoney Design/Marketing
- [] Laura Hanson Pie Eating Contest
- [] Iron Kettle Farm
- [] Ken & Lori Thompson
- [] Sally Albrect

Also the following items were discussed.

Food Truck

Bottled water station

Porta potty

Kona Ice

Clean up crew
