May 30th, 2023

Dear Community Partner,

As the 4th of July quickly approaches, we are gearing up for the 4th of July Fireworks Show Over the Mighty Mississippi River! We are excited, again, for this year's show. We hope that you are as eager and will consider donating to the Fireworks show in 2023!

The show is beneficial to our area, not only for that feel-good community camaraderie but also in the bolster in revenues for the local economy. This, alone, is always a great reason to support these events. As a bonus for your participation, you will be featured on ads circulating on social media, and print ads in the newspaper! You will also receive a special graphic to share on your social media account to notify the public that YOU helped the show go on!

The minimum cost for the show is \$25,000, plus \$1,500 for the barge service and \$100 for Coast Guard permitting. As you can imagine, procuring these funds is a very difficult task. I know as a business owner myself how often we are asked to donate to this, that and the other ... so know that my appealing to you is simply because I know how important these shows are for our area. The shared towns of Vidalia and Natchez contribute only a portion of the show, so contributions from individuals, organizations and businesses are vital in keeping the tradition alive!

The funds are due no later than July 1, 2023 to ensure that the show will go on! On the following page, you will find the sponsorship form and levels. If you require an invoice, please reach out to me right away so that I can get that over to you as quickly as possible.

Whether you have participated in the fireworks program in the past or are a new supporter of this show, we welcome you. Thank you for being such a wonderful community partner. Please let me know if you have any questions or suggestions.

Sincerely,

Sabrina Doré
Sole Organizer for
Miss Lou Fireworks
