POTENTATE'S MESSAGE

Dear Nobles,

I hope everyone has had a good summer and is ready to move into fall. I am sure I am not the only one looking for some slightly cooler temperatures.

I want to take a moment to thank all those who gave of their time and energy for the 2022 Circus. We also appreciate those units who provided meals to the workers and to all those who donated bicycles. It takes a lot of people doing a lot of things to make the circus a success and we want every single person who played a part to know how much you are appreciated.

We are going to start fall off with the Shriner's Buckout on Saturday, October 8th at the Cross Brand Cowboy Church Arena. We are giving away some really nice prizes at this event and we still have raffle tickets available. If every Shriner just sold 2 tickets, it would make a great impact.

Ceremonial is scheduled for Friday, October 14th at 6:00 p.m. Fried fish and chicken is on the dinner menu. Please RSVP by calling the office by October 7th. We will follow this with the Rose Parade on Saturday, October 15th. Line-up is 8:00 a.m.

October stated meeting will be held on October 24th with dinner at 6:00 p.m. followed by meeting at 7:00 p.m.

Yours in Faith,
Greg Brooks

The next stated meeting of Sharon Shriners will be held on Monday, Oct 24th; dinner at 6:00 pm, meeting at 7:00 pm. The purpose of this meeting is to ballot on petitions and act on other business that may come before it.

Oriental Band

Oriental Band had their summer party this past Saturday and had a great turnout with great food and lots of awesome fellowship. If you missed it, dang your bad luck. We also installed the newly voted officers for the upcoming new year. President Ray Dark, vice President Dan Horton and secretary/treasurer Les Crawley were installed by Potentate Greg Brooks.

Outgoing President, Dillon Folmar, did a great job and also was generous enough to open up his beautiful new home to this group for our summer party. Outstanding job, Dillon and Amanda. Thank you very much.

Per the new President elect, the OB is planning to be more active in the off season going forward. He has plans in place and is already working on having a great year. He is also very interested in new members joining our fun, caring and great unit. He would like to invite any nobles interested in checking out our unit to please come visit us at a practice or visit with one, or some, of the members at the ceremonial where we will be playing. With that said, we need as many members as possible to attend. It will be on Friday evening at 6PM, October 14. Fish fry for dinner and ceremonial following.

Saturday October 15, Tyler Rose Parade, line up for the OB is at the McClendon House at 7 AM, 806 W Houston, Tyler. We have to be in line at parade by 8. We need all members to come, let's make a good showing. People lining the streets of Tyler always enjoy the OB at the parade. Hollering and laughter galore. Let's not let them down this year!

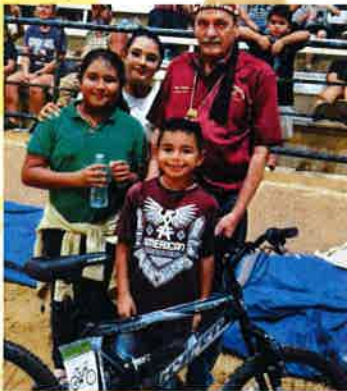

Attention all Ladies!!

Your invited to have a little Fall Fun on
October 24th during Stated Meeting!

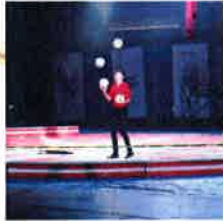

Come at 6pm and eat dinner with the group -
then once the Nobility starts their meeting,

Oriental Guide Candidate
BIOGRAPHY OF CRAIG T. HUGHES
September 8, 2022

The career of Craig Hughes has spanned over 40 years in a wide variety of industries, but his concentration has always been focused on inventory control, logistics management, and related information technologies. In later years he has expanded his scope into the direct management of the manufacturing process. His wife of 45 years is an attorney in Tyler, TX where they currently reside. He has two sons, one is the senior director for Fox in Washington D.C, and the other has earned a master's degree in Geophysics from LSU. He is currently employed by the state of Texas. Away from the office, Mr. Hughes is an instrument rated pilot, Ham Radio Operator, Scuba Diver, and a big game hunter.

After graduating from Stephen F. Austin State University in 1975, Mr. Hughes initially worked for Anderson Clayton Foods in production planning. It was at this time that he became involved with the American Production and Inventory Control Society (APICS) and became certified in production and inventory control. From Anderson Clayton he moved on to Mitsubishi Aircraft International where the new MU-300 business jet (now sold as the Beach Jet) was under development. Here he was instrumental in the installation of the IBM COPICS manufacturing system. Once again changing industries, Mr. Hughes moved to the fledgling MCI Communications Company. After initially being based in Washington, D.C., he moved on to Dallas, Texas where the MCI Engineering headquarters had been established. At the Dallas engineering facility, he and an APICS associate established an inventory management department for the first time. At the time, MCI was involved in the construction of billions of dollars' worth of microwave and fiber optic infrastructure. To manage this, Mr. Hughes helped develop the proprietary Engineering Planning System based on MRP methodology. After this he was promoted to the manager of the Logistics Management IT organization, and along the way, he was named as the primary inventor on an early U.S. patent for RF barcode scanning technology. In 1999 he was recruited to Hood Packaging Company in Tyler, TX as the Materials Manager. Wanting to get back to his East Texas roots, he took this position which soon expanded to the management of manufacturing operations as well as logistics. As Operations Manager he was responsible for Purchasing, Customer Service, Logistics Management, and all Manufacturing Departments (a total of more than 100 employees). He retired from this position in 2018, although he continues to do consulting for Hood Packaging.
