

Are you looking for ways to help our battered business Community?

Do you want to have a family activity that improves your neighborhood?

Do you have kids who need Community Service Hours?

Please help the WNC with their Community Clean Up effort.

Each volunteer will "adopt" a section.

We will provide gloves and trash bags; you provide the manpower (or women power)!

Clean up starts March 21st for 6 weeks.

Each volunteer will visit their section once a week. You can pick any day or time to clean up.

Questions? wncseat2@gmail.com

Lisa Morocco / Jae Wu

Please take a look at the map and go <https://www.signupgenius.com/go/10c0c48aca62ca1fece9-spring> and sign up for a section today.

If you are feeling especially frisky, go for 2 sections! Most sections are 2 blocks long.

If you need trash bags or gloves please email wncseat2@gmail.com and we will give you instructions to pick these items up.! If you are so inspired, bring a broom and dustpan too! You will be provided with an email to report graffiti. Take a pic and send along with the location.

RULES

Please be safe.

Please do not pick up sharp objects.

Please avoid any homeless areas or possessions of encampments. (sorry I actually have to even write that)

Please be aware of traffic as you clean up

Please be proud of what you are doing and make sure you tell any business owners who ask, that you are a part of the WNC Community Clean UP! Encourage your friends to sign up as well!
