NASHVILLE NEWS

COUNTRY MUSIC HALL OF FAME

We hope you enjoyed your night at the Country Music Hall of Fame. Did you have a chance to create a recording in the museum? Did you see the custom Hatch Show Prints that are so iconic throughout Nashville? We hope you found information on your favorite artist as you moved through the museum. Thank you for joining us for dinner and our ACES Meeting in the Ford Theater.

We really appreciate our sponsors and were glad we had an opportunity to celebrate them last night. Thank you to **Legrand**, **Siemens**, and **ABB GE Distribution**. Your support throughout the program is worthy of the ultimate level of recognition. We know that your Platinum Records will look great displayed on your wall and we hope they make you feel like the superstars we know you are!

The comedy of one of Nashville's favorites, **Aaron (Doug) Weber**, gave us all some good laughs to close out this very special evening.

A VERY SPECIAL GIFT FOR YOU... The iconic Hatch Show Print delivered to your room was specially commissioned by ACES with the Hatch artists to highlight this trip. We hope you will display it with great pride, and enjoy the fond memories it brings for years to come.

Anne Stoudemire Dunton is with Robbie Dunton in Nashville, Tennessee. Eh · An OMG Morning of crazy fun and major laughing 🤪-we visited singer Meghan Linsey's cool (I see as a Woman Cave 🍷) recording studio in her backyard 🏡 —with a room full of ⚡ Electrical Contractors & family members 🥰-add Charming Meghan Linsey, her very personable, talented hubs Tyler Cain, Jeremy(crew) AND we might have created a "promotional" song for the next ACES trip 🥰
