

# Stitches & Sweet Tea

## 2024 UFO CHALLENGE

Welcome to the S&ST 2024 UFO Challenge! First and foremost, the purpose of the challenge is to finish those Unfinished Symphonies that have been hanging around in your creative studio & have fun!! Projects can be of ANY creative medium – quilting, sewing, beading, knitting, crocheting, etc...you get the idea. Complete the form below listing each of your projects (use additional sheets or the backside if necessary). The recipient & date needed fields are for YOU ONLY! No pressure here! Bring the completed form(s) to Stitches & Sweet Tea before January 31, 2024, so we can put it on file and then get busy! LOL When you have completed a project on your list, bring the completed item back to the shop to get credit and have your name entered into the monthly prize drawing. At the end of the year, there will also be additional drawings for other prizes. **A note about quilts**...you will receive (1) entry for completing an unfinished quilt top and (1) entry for having it quilted (either by you or a longarmer) & bound, but it must be brought in twice. **BIG NOTE:** Stashed kits count as UFO's! Get them out and get them done! Most importantly...HAVE FUN & BE CREATIVE!!
