

Queso Mashed Potatoes

This easy, cheesy comfort food is great on its own, or topped with gravy or Kylito's Ranchero Sauce! (which can be found in the recipe section.)

3 Russet Potatoes (large)
1 C Kylito's con Queso (mild or spicy)
1/4 C Butter
Salt & Pepper to taste

Peel Potatoes and cut lengthwise to form 2 uniform chunks of potato. Place potatoes in large pot and cover with water. Bring to a gentle, rolling boil. Cover and cook for 20 minutes or until potatoes are tender. Drain and return to the pot.

With a potato masher, mash for a minute to break up big chunks.

Add Butter and mash for a minute longer.

Add Kylito's con Queso and continue to mash and stir until you have reached the consistency you like.

Salt & Pepper to taste. Serve.

Great with a plate of carne guisada or chili as well!
