Thriving Through Learning

Welcome To Tutor For Africa

At TFA Solution, we're committed to enriching educators' abilities to teach CBC effectively. Our CBC course covers key areas like Understanding CBC Foundations, Designing Competencies, Assessing Skills, Implementing CBC, and Data-Driven Decision Making. Educators gain insights into curriculum shifts, crafting clear learning outcomes, employing assessment strategies, and using data for improvement, enabling them to implement CBC effectively and contribute to students' progress within the CBC framework.

EMPOWERING EDUCATORS

At TFA, we understand the significance of empowering CBC educators with the skills and competencies needed to excel in today's dynamic educational landscape. That's why our solution content is meticulously crafted to align with Kenya's Competency-Based Curriculum (CBC), which prioritizes fostering Critical Thinking, Problem-Solving, Communication, Collaboration, Creativity, and Innovation among educators.
