Dear Patient,

We are committed to providing you with the best possible care and keeping you informed about your health. To help us achieve this goal, we would like to communicate with you through text messages.

To comply with 10DLC (10-digit long code, that allows businesses to send SMS from a local number to their customer base ) regulations, we need your consent to send you SMS messages. By providing your consent, you agree to receive SMS messages from New England Integrated Primary Care related to your healthcare.

Please read the following information carefully before signing the form:

1. You may receive messages related to appointment reminders, status of health insurance coverage, contact information, patient statements, and prescription refills, health education and other health-related information.
2. Standard messaging and data rates may apply, depending on your wireless carrier and plan.
3. You can opt-out of receiving text messages at any time by replying "STOP" to the message.
