

ONE YEAR ANNIVERSARY

December marks our one-year anniversary of The Tanya Weddemire Gallery. Each day we have been a vital source and representation of **Visual Arts** as we work to deepen the value and importance of art in our community. 2023 has been a year of translating our raw ideas into wondrous actions that have captivated and inspired audiences of all demographics.

TWG launched its first solo activation at the top of the year; “**THE VAULT**” featuring the exemplary works of Verna Fogg. The undeniable recognition for creators and the art behind curation by our community fueled the fire for an amazing year!

This year has brought the TWG some incredibly talented artists. Their body of works range from inspiring, breathtaking, enthralling; evoking emotions...just overall phenomenal. To whom we are ecstatic and grateful to have led and shared space across multiple platforms.
