### MESHACK'S INVOLVEMENT

**Meshack Otieno - Project Management Consultant**

- He is our on the ground “problem solver!”
- He pursues meaningful partnerships with other organisations - most recently, a waste partnership with TTZ
- Gives strategic input on project operations

## Installation of a second bread oven

- A second bread oven has been built and installed
- Our new addition will enable the team to produce and sell 100% more bread
- Our productivity and revenue will increase allowing us to fund further projects.

## ENACTUS WORLD CUP

Between 17-20 October 2023, Taka Taka Zero travelled to Utrecht, Netherlands, to represent the UK in the Enactus World Cup. Despite an amazing presentation by Anna, Emily and Priyanka, we did not make it through to the next round. Nevertheless, we are extremely proud of the team and all their effort as well as the huge achievement of getting to the World Cup!
